Student Awards 2026

15 Masters Entrance Awards

10 Student Poster Presentation Awards

3 Postdoctoral Awards

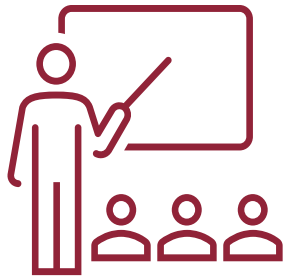

1 The Ed Whitlock Fellowship Award

Total: **29** Student Awards

Other Academic Developments

- ✓ Created and sponsored two special-topics, transdisciplinary courses in collaboration with Faculties, scheduled for delivery in 2026–2027.
- ✓ Designed and secured Senate approval for a six-credit graduate microprogram in Global Health Entrepreneurship, launching in 2027.
- ✓ Designed and administered student and industry surveys to inform and validate the proposed BBSE PhD program.
- ✓ Revamped the School's webpage to showcase all Concordia health-related programs.
- ✓ Integrated SOH into the SIS, enabling the management of programs, courses and admissions, and added SOH to the Graduate University Calendar.

4 Funded Research Projects

1. From Icebreaker to Bench to Bedside: Using Canada's Arctic Ocean Microbiome to Combat Antimicrobial Resistance

Principal Investigator: Brandon Findlay

2. Development of an AI-assisted interpretable workflow for non-toxic antimicrobial peptide design

Principal Investigator: Rachael (Ré) Mansbach

3. Aerobic Exercise with Blood Flow Restriction: A Pilot RCT Investigating a Novel, Physiologically Informed Treatment for Concussion

Principal Investigator: Elizabeth Teel

4. Health Implications of Indoor Aldehydes: Human Exposures, Biological Pathways and Risk Mitigation

Principal Investigator: Xianming Zhang

Events, Workshops and Presentations

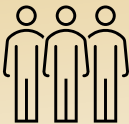

School of Health Recycled Poster Rendez-Vous:
Health Research Hangout

- **50+** SoH community members and **14** student posters

9th Annual Sustainability Across Disciplines Conference
Cohost

- Selwyn House and Young CEO Program student visits
- Presentation for CIUSSS Centre-Ouest-de-l'île-de-Montréal

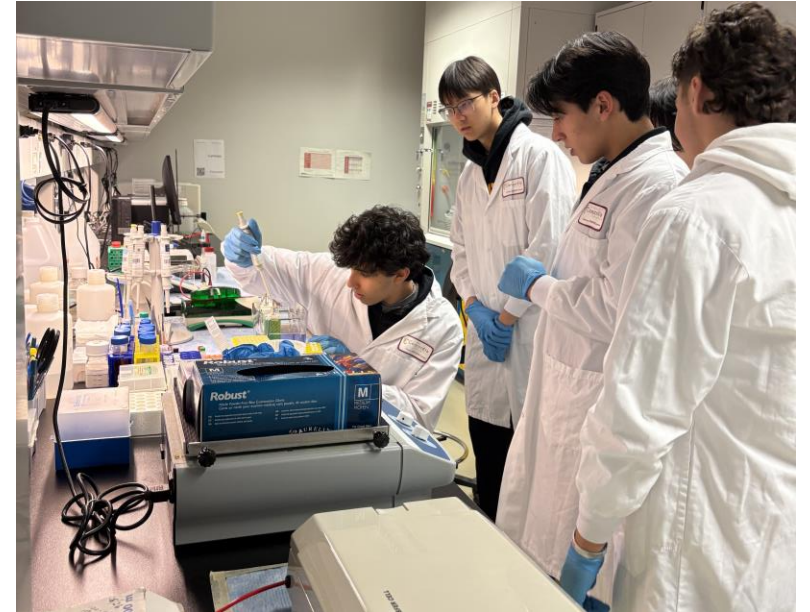

Presentations at the MUHC Cancer Society Lunch and Learn
Series

Presentation at the FKQ Conference, “La biometrie et ce
qu’elle signifie”

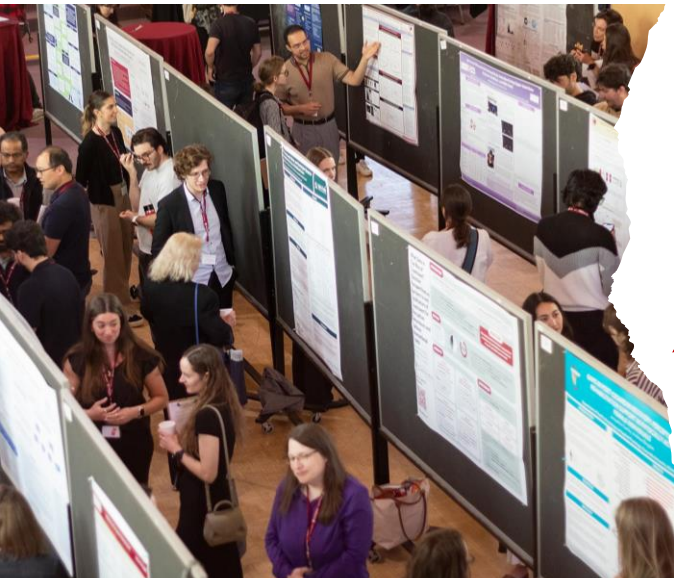

- **56** kinesiology student attendees

Annual School of Health Conference 2026

 **250+** registrants and **90** student poster presentations

- **30** judges drawn from the CU community of health researchers
- Keynote speaker, Rabia Khan, Founder and CEO of Sernia Bio

- **3** dynamic breakout sessions showcasing CU research

 **10** Student Poster Presentation Awards
