

Dear Pensioner,

Subject: new benefits provider effective May 1, 2018

Concordia University is pleased to announce the consolidation of the group insurance benefits offered to you under one provider. Effective May 1, 2018, the benefits provider is Sun Life Financial. This change will make the insurance plans more efficient to administer as well as garner long-term savings.

Your eligibility, coverage and premiums under the health plan remain the same. Information regarding deductibles and reimbursement thresholds are being transferred to Sun Life.

The enclosed information package provides an overview of your coverage, a Sun Life drug card, how to submit claims as well as contact information.

Our current provider, Desjardins Financial Security, will process health claims for expenses incurred up to and including April 30, 2018. Any expenses incurred as of May 1, 2018 are to be submitted to Sun Life.

*REMINDER: all expenses incurred under the Health Plan in
2017 must be received at Desjardins Financial Security by
April 30, 2018*

For CUPARUC members, Sun Life and Human Resources representatives will be making a presentation at the May 15 CUPARUC Annual General Meeting... If you are not a CUPARUC member but would like to attend the meeting, as space is limited, please email the Association at joanne.locke@concordia.ca by May 8, 2018 for more information.
