There is always a staff member or RA on call for residents

Keep your home safe!

Security presence

There is 24-hour security at both campuses. The security team is committed to ensuring the safety of all the residents and buildings. They perform regular building surveillance by monitoring the entrance points and completing rounds.

Access cards

Each resident is provided with an access card at the time of check-in that must be swiped each time he or she enters the building. The initial card is temporary, and you must get a permanent one during the first 2 weeks.

Grey Nuns: On the ground level of the Hall (H) building. Loyola: On the ground level of the SP building.

Safety tips

Each resident is asked to play an active role in ensuring safety within residence. For instance, holding the door open for someone — although usually the polite thing to do — might actually result in letting in an intruder. Any suspicious activity should be reported to security or a Residence Life staff member.

CODE OF COMMUNITY LIVING STANDARDS AND DISCIPLINE

Main rules in Residence:

1. Safety
2. Respect

Where do I find the Code?

At the time you signed your lease, it included the Code of Community Living Standards and Discipline. This code helps ensure that each resident is provided with a comfortable and safe living space. It is recommended that each resident familiarize themselves with residence policies prior to arrival.

Some Code basics:

Smoking — Residence is a non-smoking facility. It is forbidden to smoke in any room including common areas. This includes e-cigarettes/vapes.

Drinking — Drinking is allowed only in residents' personal rooms. Open alcoholic beverages are not allowed in common areas.

Noise and quiet hours — A resident's right for quiet study and sleep time takes priority over a resident's right to make noise. Quiet hours begin on weekdays at 11 p.m. and Friday and Saturday at 1 a.m. During exam periods, 24-hour quiet hours are in effect.

Damage to property — The individual(s) responsible for damage, when known, will assume complete responsibility.

Key lockouts and key replacements — Residence Life reserves the right to charge for having to grant access to a room. Any lost keys will result in a \$20 replacement charge.

Harm and/or threat to another — Violence or physical aggression will not be tolerated in residence.

Appliances in rooms — There is a list of items outlined in your lease, including kettles, coffee makers, space heaters and rice cookers. Coffee makers, kettles and microwaves are available to residents in common rooms.
