

## Sustainability Champions Awards

Nominated by the Concordia community, Sustainability Champions are students, staff and faculty members that are making a difference in sustainability on campus. The Champions are recognized at the annual Sustainability Champions Award Gala.

Nominations will be evaluated along the following dimensions.

### Selection criteria:

#### Effort

- How difficult was this to achieve? Was it time and labor intensive?

#### Impact

- Has the individual impacted the culture of sustainability?
- What effect did their accomplishment have on enhancing sustainability in their department/faculty/affiliated groups?
- How has their accomplishment increased sustainability awareness or knowledge in their department/faculty/group?
- Did the accomplishment have an effect outside of their department/faculty/group?

#### Initiative

- Did they take this project on their own, or was it assigned to them?
- How has this individual demonstrated leadership to advance sustainability?
- Is sustainability part of their job duties and responsibilities?
- What obstacles did they overcome in order to successfully complete this project?

#### Innovation & Creativity

- Is this something new to the organization?
- Did they work outside the established paradigms?
