

Sustainability Researchers

Date	2020-04
Theme	Sustainability and related topics

Researcher	Faculty	Department	Sustainability-related research interests	Researcher page	Email
Ahuja, Suchit	JMSB	Supply Chain and Business Technology Management	sustainable development, emerging economies, social impacts of technology	http://explore.concordia.ca/suchit-ahuja	suchit.ahuja@concordia.ca
Akbari, Hashem	GCS	Building, Civil, and Environmental Engineering	design for sustainability, energy efficiency, climate change, pollution, smart buildings	http://explore.concordia.ca/hashem-akbari	hakbari@encs.concordia.ca
Akbulut, Benji	FAS	Geography, Planning and Environment	economic alternatives, sustainable development, environmental politics	http://explore.concordia.ca/benji-akbulut	benji.akbulut@concordia.ca
Alecsandru, Ciprian	GCS	Building, Civil, and Environmental Engineering	sustainable transportation	http://explore.concordia.ca/ciprian-alecsandru	ciprian.alecsandru@concordia.ca
Amor, Meir	FAS	Sociology and Anthropology	human rights, racialization, citizenship, war and organized violence	http://explore.concordia.ca/meir-amor	meir.amor@concordia.ca
An, Chunjiang	GCS	Building, Civil, and Environmental Engineering	environmental sustainability, pollution, climate change, green chemistry, resource recovery from waste	http://explore.concordia.ca/chunjiang-an	chunjiang.an@concordia.ca
Athienitis, Andreas	GCS	Building, Civil, and Environmental Engineering	design for sustainability, net zero energy buildings, energy efficiency, smart infrastructures, renewable energy	http://explore.concordia.ca/andreas-athienitis	athiena@alcor.concordia.ca
Awasthi, Anjali	GCS	Concordia Institute for Information Systems Engineering	sustainable transportation, multicriteria decision making	http://explore.concordia.ca/anjali-awasthi	awasthi@ciise.concordia.ca
Bacon, Simon	FAS	Health, kinesiology & Applied Physiology	behavioral medicine, determinants of health, prevention of illness	http://explore.concordia.ca/simon-l-bacon	Simon.Bacon@concordia.ca
Bagchi, Ashutosh	GCS	Building, Civil, and Environmental Engineering	smart structures, seismic resilience, earthquake engineering	http://explore.concordia.ca/ashutosh-bagchi	abagchi@bcee.concordia.ca
Bale, Alan	FAS	Classics, Modern Languages & Linguistics	endangered Indigenous languages, philosophy of language	http://explore.concordia.ca/alan-bale	alan.bale@concordia.ca
Barker, Matthew	FAS	Philosophy	environmental ethics, sustainability studies	http://explore.concordia.ca/matthew-barker	matthew.barker@concordia.ca
Batraville, Nathalie	FAS	Simone de Beauvoir Institute	Black feminist futures, critical race studies, intersectionality	http://explore.concordia.ca/nathalie-batraville	nathalie.batraville@concordia.ca
Belge, Ceren	FAS	Political Science	Middle East and comparative politics	NO EXPLORE PROFILE	ceren.belge@concordia.ca
Berger, Rachel	FAS	History	Indigenous knowledges, decolonization, political economy of food	http://explore.concordia.ca/rachel-berger	rachel.berger@concordia.ca
Best, Beverley	FAS	Sociology and Anthropology	social justice, globalization, deep dynamics of a capitalist economy	http://explore.concordia.ca/beverley-best	bev.best@concordia.ca
Bhuiyan, Nadia	GCS	Mechanical, Industrial and Aerospace Engineering	lean product development, supply chains, logistics planning	http://explore.concordia.ca/nadia-bhuiyan	nadia.bhuiyan@concordia.ca

Sustainability Researchers

Theme	Sustainability and related topics

Researcher	Faculty	Department	Sustainability-related research interests	Researcher page	Email
Biron, Pascale	FAS	Geography, Planning and Environment	environmental sustainability, water resource management, aquatic ecology, pollution, fish habitats	http://explore.concordia.ca/pascale-biron	pascale.biron@concordia.ca
Bitektine, Alexandre	JMSB	Management	corporate sustainability	http://explore.concordia.ca/alexandre-bitektine	alex.bitektine@concordia.ca
Blanchet-Cohen, Natasha	FAS	Applied Human Sciences	sustainability studies, children and ecocitizenship, environmental education	http://explore.concordia.ca/natasha-blanchet-cohen	natasha.blanchet-cohen@concordia.ca
Bloodgood, Elizabeth	FAS	Political Science	human rights, globalization, transnationalism, organizational culture	http://explore.concordia.ca/elizabeth-bloodgood	elizabeth.bloodgood@concordia.ca
Bodur, Onur	JMSB	Marketing	socially responsible consumption, corporate social engagement	http://explore.concordia.ca/onur-bodur	onur.bodur@concordia.ca
Bolster, Stephanie	FAS	English	impacts of disaster, nuclear threat, disaster tourism	http://explore.concordia.ca/stephanie-bolster	stephanie.bolster@concordia.ca
Bothello, Joel	JMSB	Management	corporate sustainability, environmental strategies	http://explore.concordia.ca/joel-bothello	joel.bothello@concordia.ca
Boulianne, Emilio	JMSB	Accountancy	corporate sustainability, sustainability accounting	http://explore.concordia.ca/emilio-boulianne	emilio@msb.concordia.ca
Brown, Grant	FAS	Biology	environmental sustainability, pollution, wildlife conservation and management, aquatic ecology, fish habitats	http://explore.concordia.ca/grant-brown	grant.brown@concordia.ca
Bukowski, William	FAS	Psychology	sustainability studies	http://explore.concordia.ca/william-bukowski	william.bukowski@concordia.ca
Bulgak, Akif	GCS	Mechanical, Industrial and Aerospace Engineering	lean manufacturing, supply chain network design, sustainable manufacturing	NO EXPLORE PROFILE	a.bulgak@concordia.ca
Butler, Gregory	GCS	Computer Science and Software Engineering	renewable energy, biofuels and biochemicals	http://explore.concordia.ca/gregory-butler	gregb@cs.concordia.ca
Caquard, Sébastien	FAS	Geography, Planning and Environment	environmental sustainability, water resource management, environmental impact assessment, urban planning	http://explore.concordia.ca/sebastien-caquard	sebastien.caquard@concordia.ca
Caron, Brandiff	GCS	Centre for Engineering in Society	sustainable development	http://explore.concordia.ca/brandiff-caron	brandiff.caron@concordia.ca
Castro, Juan Carlos	FOFA	Art Education	urban futures, social networks, youth culture, social justice education	http://explore.concordia.ca/juan-carlos-castro	JuanCarlos.Castro@concordia.ca
Chalk, Frank	FAS	History	sustainability studies	http://explore.concordia.ca/frank-chalk	drfrank@alcor.concordia.ca
Chauhan, Satyaveer Singh	JMSB	Supply Chain and Business Technology Management	sustainable transportation	http://explore.concordia.ca/satyaveer-singh-chauhan	satyaveer.chauhan@concordia.ca

Sustainability Researchers

Date	2020-04
Theme	Sustainability and related topics

Researcher	Faculty	Department	Sustainability-related research interests	Researcher page	Email
Chen, Zhi	GCS	Building, Civil, and Environmental Engineering	environmental impact assessment, climate change, pollution, air quality, contaminated soil	http://explore.concordia.ca/zhi-chen	zhichen@bcee.concordia.ca
Chew, May	FOFA	Mel Hoppenheim School of Cinema	critical race studies, community-engaged research, multiculturalism	http://explore.concordia.ca/may-chew	may.chew@concordia.ca
Cross, Daniel	FOFA	Mel Hoppenheim School of Cinema	engaged cinéma vérité, socioeconomic inequality, activism	http://explore.concordia.ca/daniel-cross	daniel.cross@concordia.ca
Croteau, Anne-Marie	JMSB	Supply Chain and Business Technology Management	corporate sustainability, sustainable development,	http://explore.concordia.ca/anne-marie-croteau	anne-marie.croteau@concordia.ca
Cucuzzella, Carmela	FOFA	Design and Computation Arts	environmental sustainability, design for sustainability, smart cities, green buildings, sustainability assessment tools	http://explore.concordia.ca/carmela-cucuzzella	carmela.cucuzzella@concordia.ca
Dal Farra, Ricardo	FOFA	Music	urban futures, environmental apocalypse	http://explore.concordia.ca/ricardo-dal-farra	ricardo.dalfarra@concordia.ca
Dayanandan, Selvadurai Daya	FAS	Biology	climate change, environmental sustainability, forest ecology, biodiversity conservation	http://explore.concordia.ca/selvadurai-daya-davanandan	daya.davanandan@concordia.ca
de la Llata, Silvano	FAS	Geography, Planning and Environment	participatory community planning, urban futures	http://explore.concordia.ca/silvano-de-la-llata	silvano.delallata@concordia.ca
De Visscher, Alex	GCS	Chemical and Materials Engineering	climate change, environmental chemistry, green chemistry, hydrogen technology, pollution	http://explore.concordia.ca/alex-de-visscher	alex.devisscher@concordia.ca
Despland, Emma	FAS	Biology	biodiversity conservation, forest ecology, community ecology	http://explore.concordia.ca/emma-despland	emma.despland@concordia.ca
DeWolf, Christine	FAS	Chemistry and Biochemistry	pollution, environmental chemistry	http://explore.concordia.ca/christine-dewolf	christine.dewolf@concordia.ca
Diamantoudi, Effrosyni (Faye)	FAS	Economics	environmental economics	http://explore.concordia.ca/effrosyni-diamantoudi	effrosyni.diamantoudi@concordia.ca
Didur, Jill	FAS	English	environmental humanities, sustainability studies	http://explore.concordia.ca/jill-didur	jill.didur@concordia.ca
Dziedzic, Rebecca	GCS	Building, Civil, and Environmental Engineering	performance indicators of urban infrastructure, modelling and optimization of water systems, resilience of interdependent urban systems, lifecycle asset management, decision support tools for sustainable infrastructure	http://explore.concordia.ca/rebecca-dziedzic	rebecca.dziedzic@concordia.ca
Eicker, Ursula	GCS	Building, Civil, and Environmental Engineering	urban futures, smart cities, energy efficiency	http://explore.concordia.ca/ursula-eicker	ursula.eicker@concordia.ca
Elektorowicz, Maria	GCS	Building, Civil, and Environmental Engineering	environmental sustainability, pollution, environmental chemistry, environmental engineering, greenhouse gases	http://explore.concordia.ca/maria-elektorowicz	maria.elektorowicz@concordia.ca
Fast, Elizabeth	FAS	Applied Human Sciences	Indigenous knowledges, urban/rural studies, youth in society	http://explore.concordia.ca/elizabeth.fast	elizabeth.fast@concordia.ca

Sustainability Researchers

Date	2020-04
Theme	Sustainability and related topics

Researcher	Faculty	Department	Sustainability-related research interests	Researcher page	Email
Ferguson, Ronald	JMSB	Management	perceptions of sustainability messages and greenwashing	NO EXPLORE PROFILE	ronald.ferguson@concordia.ca
Foltz, Richard	FAS	Religions and Cultures	environmental ethics	http://explore.concordia.ca/richard-foltz	richard.foltz@concordia.ca
Forgione, Pat	FAS	Chemistry and Biochemistry	green chemistry, greener cross-coupling reactions	http://explore.concordia.ca/pat-forgione	pat.forgione@concordia.ca
Fraser, Dylan	FAS	Biology	climate change, biodiversity conservation, pollution, water resource management, adaptations to environmental change	http://explore.concordia.ca/dylan-fraser	dylan.fraser@concordia.ca
Fritsch, Matthias	FAS	Philosophy	climate change, environmental ethics	http://explore.concordia.ca/matthias-fritsch	matthias.fritsch@concordia.ca
Galal, Khaled	GCS	Building, Civil, and Environmental Engineering	design for sustainability	http://explore.concordia.ca/khaled-galal	khaled.galal@concordia.ca
Gauthier, Pierre	FAS	Geography, Planning and Environment	sustainable development, smart cities	http://explore.concordia.ca/pierre-gauthier	pierre.gauthier@concordia.ca
Ge, Hua	GCS	Building, Civil, and Environmental Engineering	climate change, design for sustainability, energy efficiency, adaptations to environmental change, low energy buildings	http://explore.concordia.ca/hua-ge	hua.ge@concordia.ca
Gélinas, Yves	FAS	Chemistry and Biochemistry	climate change, environmental sustainability, pollution, water resource management, aquatic ecology	http://explore.concordia.ca/yves-gelinas	yves.gelinas@concordia.ca
Girard-Renard, Cynthia	FOFA	Studio Arts	environmental sustainability, endangered species	http://explore.concordia.ca/cynthia-girard-renard	cynthia.girard@concordia.ca
Gopakumar, Govind	GCS	Centre for Engineering in Society	design for sustainability, sustainable development, water security, technological change	http://explore.concordia.ca/govind-gopakumar	govind.gopakumar@concordia.ca
Gould, Kevin	FAS	Geography, Planning and Environment	post-disaster reconstruction, decolonization, economic geography	http://explore.concordia.ca/kevin-gould	kevin.gould@concordia.ca
Grant, James	FAS	Biology	environmental sustainability, biodiversity conservation, water resource management, aquatic ecology, environmental education	http://explore.concordia.ca/james-grant	james.grant@concordia.ca
Grohmann, Bianca	JMSB	Marketing	consumption, corporate social engagement	http://explore.concordia.ca/bianca-grohmann	bianca.grohmann@concordia.ca
Gulick, Patrick	FAS	Biology	plant growth and development, agricultural practices, plant molecular genetics	http://explore.concordia.ca/patrick-gulick	patrick.gulick@concordia.ca
Haghighat, Fariborz	GCS	Building, Civil, and Environmental Engineering	energy efficiency, smart cities, environmental engineering, net zero energy buildings, green buildings	http://explore.concordia.ca/fariborz-haghighat	fariborz.haghighat@concordia.ca
Halpern, Orit	FAS	Sociology and Anthropology	urban futures, smart cities, sustainable development	http://explore.concordia.ca/orit-halpern	orit.halpern@concordia.ca

Sustainability Researchers
