

FIRST AID KIT RE-ORDER FORM FOR LAB USERS (CME-FORM-002)

First Aid Kits are checked every three months. However, if in the event of a major use of the kit please call the Technical Supervisor Harriet Laryea at ext. 4148 or 8062 or email the request to Harriet.Laryea@concordia.ca.

All kits must be fully stocked for emergency situations. Leaving them depleted may create a dangerous situation for the next user.

Quantity Req'd	Item	Quantity Actual	Comments
