

Extended Credit Program (ECP) for BCompSc in Health and Life Sciences students

Most students entering Concordia from a secondary school outside Quebec are admitted to the [ECP](#).

The ECP requires the completion of 30 credits in addition to the regular 90 credit degree program (BCompSc in Health and Life Sciences). The additional credits should be completed prior to following the regular program course sequence. To be considered full-time, students must enroll a minimum of 12 credits per term.

For more information regarding program length, please visit <http://www.concordia.ca/academics/degrees/program-length.html>.

Here is the recommended first-year schedule:

First Semester:

- MATH 203 (Differential and Integral Calculus I) 3 credits
- BIOL 201 (Introductory Biology) 3 credits
- CHEM 205 (General Chemistry I) 3 credits
- PHYS 204 (Mechanics) 3 credits
- PHYS 224 (Introductory Experimental Mechanics) 1 credit

Second Semester:

- MATH 204 (Vectors and Matrices) 3 credits
- MATH 205 (Differential and Integral Calculus II) 3 credits
- CHEM 206 (General Chemistry II) 3 credits
- PHYS 205 (Electricity and Magnetism) 3 credits
- PHYS 225 (Introductory Experimental Electricity) 1 credit
- PHYS 206 (Waves and Modern Physics) 3 credits
- PHYS 226 (Introductory Experimental Waves and Modern Physics) 1 credit

After you have completed the ECP, please follow your program's course sequence:

- [Bachelor of Computer Science in Health and Life Sciences](#)

How to register for classes
