Year

Section [71.70.4](#) Honours Program

Students should refer to [§16.2.4](#) of the Calendar for academic regulations for the honours program. **The following regulations are additional requirements for the Honours BCompSc program.**

1. Applications to enter an honours program must be submitted to the Office of the Associate Dean (Student Academic Services) at least three months before the start of the term in which the student wishes to enter an honours program.
2. Students must complete at least 30 credits towards their degree before entering an honours program.
3. Students who are required to withdraw from an honours program may continue in the regular program of their option or General Program provided they are in acceptable or conditional standing according to the academic regulations in [§71.10.3](#).

Course Requirements for Honours Programs

Honours students must fulfill the requirements of their option. In addition, to receive an honours degree:

1. The student must have a final graduation GPA of at least 3.30.
2. Students must successfully complete the course COMP 490 as one of the Computer Science electives for their option.
3. For students in the **General Program**, and the **Computer Games, Computer Systems, and Web Services and Applications Options**, at least six of the General Electives credits must be chosen from the list of Computer Science Electives with at least two of the following: COMP 339, COMP 465, and COMP or SOEN courses with a number between 6000 and 6951 not marked with (*).
4. For students in the **Software Systems Option**, at least six of the General Electives credits must be chosen from the list of Computer Science Electives with at least one of the following: SOEN 331, and COMP or SOEN courses with a number between 6000 and 6951 not marked with (*).
