May 1, 2010

Subject: Curriculum Changes in the 2010-2011 Calendar

Dear Student,

Each May, all students enrolled in the **Computer Engineering** program are mailed a letter advising them of curriculum changes that have occurred since their entry into the program. This letter, included past ones, can also be viewed at the following address for your convenience: http://www.encs.concordia.ca/current-students/undergraduate-program-requirements/course-sequences/computer-engineering/.

This letter is to advise you of any additional changes that will appear in the 2010-2011 Undergraduate Program Calendar which may affect your selection of courses. Should you have any questions regarding this issue, please do not hesitate to contact Student Academic Services at (514) 848-2424, extension 3055.

You can view the program requirements and course descriptions at the following website: http://registrar.concordia.ca/calendar/pdf/calendar_pdf.html.

VERY IMPORTANT: Students must have completed all 200-level courses required from their program before they can register for *any* 400-level course.

1. Changes to the Engineering Core

There are no changes to the Engineering Core.
