Subject: Curriculum Changes in the 2010-2011 Calendar

Dear Student,

Each May, all students enrolled in the **Electrical Engineering** program are mailed a letter advising them of curriculum changes that have occurred since their entry into the program. This letter, included past ones, can also be viewed at the following address for your convenience: <http://www.encs.concordia.ca/current-students/undergraduate-program-requirements/course-sequences/electrical-engineering/>

This letter is to advise you of any additional changes that will appear in the 2010-2011 Undergraduate Program Calendar which may affect your selection of courses. Should you have any questions regarding this issue, please do not hesitate to contact Student Academic Services at (514) 848-2424, extension 3055.

You can view the program requirements and course descriptions at the following website: http://registrar.concordia.ca/calendar/pdf/calendar_pdf.html.

VERY IMPORTANT: Students must have completed all 200-level courses required from their program before they can register for *any* 400-level course.

1. Changes to the Engineering Core

There are no changes to the Engineering Core.

2. Electrical Engineering Core

There are no changes to the Electrical Engineering Core.

3. Telecommunications Option

3a. Telecommunications Core

There are no changes in the Telecommunications Option Core.

3b. Telecommunications Technical Electives

There are no changes in the Telecommunications Option Electives.

4. Electronics/Systems Option

4a. Electronics/Systems Core

There are no changes in the Electronics/Systems Option Core.

4b. Electronics/Systems Technical Electives

ELEC 498K Introduction to Analog VLSI has been changed to **ELEC 423** Introduction to Analog VLSI.

5. Power Institute

Students accepted by the Institute for Electrical Power Engineering are expected to complete five courses as required by the Institute, and offered by participating universities, from among: ELEC 430, 431, 432, 433, 434, 435, 436, and 438. Some of these courses are offered in French. Students register for courses at their home universities. Students accepted by the Institute must complete a minimum of 120 credits in total.
