**Subject: Curriculum Changes in the 2010-2011 Calendar**

Dear Student,

Each May, all students enrolled in the **Mechanical Engineering** program are mailed a letter advising them of curriculum changes that have occurred since their entry into the program. This letter, included past ones, can also be viewed at the following address for your convenience: [http://www.encs.concordia.ca/scs/content/Sequences\\_MECH.htm](http://www.encs.concordia.ca/scs/content/Sequences_MECH.htm).

This letter is to advise you of any additional changes that will appear in the 2010-2011 Undergraduate Program Calendar which may affect your selection of courses. It will also be placed at the above mentioned sequence site for your convenience. Should you have any questions regarding this issue, please do not hesitate to contact Student Academic Services at (514) 848-2424, extension 3055.

You can view the program requirements and course descriptions at the following website: [http://registrar.concordia.ca/calendar/pdf/calendar\\_pdf.html](http://registrar.concordia.ca/calendar/pdf/calendar_pdf.html).

**VERY IMPORTANT: Students must have completed all 200-level courses required from their program before they can register for *any* 400-level course.**

**1. Changes to the Engineering Core**

There are no changes to the Engineering Core.

**2. Mechanical Engineering Core**

- a) MECH 343 Theory of Machines I has been renamed MECH 343 Theory of Machines.
- b) MECH 443 Mechanical Vibrations has been renamed MECH 375 Mechanical Vibrations.

**3. Mechanical Engineering Technical Electives**

- a) ENGR 498A Standards, Regulations and Certification has been changed to ENGR 417 Standards, Regulations and Certification.
- b) ENGR 498B Integration of Avionic Systems has been changed to ENGR 418 Integration of Avionic Systems.

- c) MECH 414 Computer Numerically Controlled Machining has been added to the list of electives.

**Option A – Thermo Fluid and Propulsion**

There are no changes to the Thermo Fluid and Propulsion option.

**Option B – Design and Manufacturing**

There are no changes to the Design and Manufacturing option.

**Option C – Mechatronics and Controls**

There are no changes to the Mechatronics and Controls option.

**Option D – Aerospace and Vehicle Systems**

There are no changes to the Aerospace and Vehicle Systems option.
