Should you have more questions regarding your eligibility to work on campus, please [contact your ISO immigration advisor](mailto:help@concordia.ca).

**Note:** In the Gina Cody School (GCS), except special circumstances, the maximum number of TA hours a student can work is 20 hours per week and 280 hours per the fall term (subject to change).

**If you are the selected candidate**

If you are selected for a TA position, in August you will be notified by email of a formal “offer of employment”. You must also be in contact with your professor the first week of classes to discuss the workload form. In particular, the TA markers should discuss with their course instructor and agree with the assigned duties and marking breakdown, in terms of hours, for each marking item. Furthermore, TAs and markers should log their hours each week during their contract period.
