Technical Support for CFI laboratory

NOTE: This is a 4 months' part-time contract

POSITION SCOPE:

Overseeing the CFI communications laboratory operations. Reporting to Dr. Reza Soleymani, immediate supervisor.

PRIMARY RESPONSIBILITIES:

- Overseeing the Communications Lab operations;
- Maintaining the lab's website;
- Working on implementing certain communications/signal processing algorithms.

REQUIREMENTS:

- University degree in Electrical and/or Computer Engineering with Communication System specialization.
- In depth knowledge of Digital Communications (ELEC 6831 or ELEC 367) and Digital System Design, Digital Broadcasting (at the level of ELEC 6891).
- Familiarity with video broadcasting standards including ATSC 3.0.
- Good spoken and written English language skills (level 4).
- Strong interpersonal and communications skills.
- Detail-oriented, with strong organizational and problem-solving skills.

Contract: December 1, 2020 until March 31, 2021

Part-time: 30 hours per week, work schedule to be determined

Start date: December 1, 2020

Salary: Total \$13,418.19 for the period, or \$25.70 per hour.

*Please send your curriculum vitae with a covering letter **by Tuesday, December 1st, 2020**, to Dr. Reza Soleymani at msoleyma@ece.concordia.ca.*
