Registration Process

ENGR 411 is a one-credit course consisting of an unsupervised Technical Report. It is intended for students who are short one credit or less from meeting graduation requirements. To apply, please complete this form and email it to mie-upa@encs.concordia.ca.

Once approved, you will be registered and receive a signed copy of the form to bind with your final report.

Course Requirements

The ENGR 411 report is a **critical literature survey** on a technical topic of your choice, relevant to your program of study. The topic must be **specific, focused, and technical in nature**.

Your report must be **original** and may **not include material previously submitted for other coursework**.

The report will be graded based on technical content as well as format and presentation as follows:	
Abstract 10 Intro 20 Main content 30 Conclusion 10 Format, style and language 20 Reference 10 **Total** **100**	Further details on topic selection as well as form and style can be found in the **ENGR 411 Guidelines** found on our website: **CONCORDIA.CA/MIAEUGRAD**

The deadline for submission of the report is the last day of classes in the term in which you registered. The report will not be accepted unless you include a signed copy of the Expectations of Originality form to ensure there is no plagiarism.

Failure to submit by the deadline will delay the grading and may result in the student not graduating in the intended term.

REGISTRATION FORM ENGR 411 TECHNICAL REPORT (MIAE)

Student Information:	
First Name:	**Last Name:**
Student ID:	**E-Mail:**
Program:	**Expected Graduation (Term/Year):**
Please register me to ENGR 411 in the following term:	**Summer** **Fall** **Winter**

Technical Report Information:
Title:
ABSTRACT – 150 to 250 words (please refer to the ENGR 411 Guidelines, section 2, for details)

By signing this form, I confirm that this material has not been used in any other course, project, or internship:
