GRANT AWARD COMPETITION

3000\$ GRANT AWARD FOR SME'S
EMPLOYEES OR ENTREPRENEURS

Faculté de pharmacie

TO SUBMIT YOUR APPLICATION

Interested candidates must submit a short CV and a letter of interest of no more than 400 words that explains how the Program will help them progress in their careers and why the award will make a difference to them. Nominations will be evaluated by a selection committee composed of a representative from Montréal InVivo, the Faculty of Pharmacy of the Université de Montréal and the John Molson Executive Centre at Concordia University.

COMMITMENT OF CANDIDATE

By submitting your application, you agree to meet the requirements of the Life Sciences Entrepreneurship Development Program and accept that your name and affiliation be included in communications about the recipients of the award.
