

Structure of the Major in International Business

The major in International Business requires the completion of 24 credits (8 courses). These include two required courses (6 credits) and 18 additional elective credits of business courses or a mix of elective credits chosen from both business and non-business courses that cover international issues. These latter courses (ECON, POLI) are not shown in this flowchart.

3. COMM courses that are prerequisites to IBUS courses are shown next to the IBUS courses.
4. Students are strongly encouraged to enrol in language courses as elective courses. Adding a minor in another area of interest is also recommended to further complement this program. Participation in the Concordia Student Exchange Program is also highly recommended.
5. To review the course requirements for your year of entry in the program please refer to the undergraduate calendar or degree worksheet for that year.
