

# AGRE 11

## Eleventh Annual Graduate Research Exposition

14 NOVEMBER 2019

The AGRE is a poster-based exposition that highlights the innovativeness, scholarly qualities, and practical significance of research at JMSB. Judges from the Montreal business community evaluate the posters on several criteria, including clarity, significance, and aesthetic quality, as well as your ability to present your work orally and answer questions. The feedback you get is designed to enhance your future success in academia or industry.

### Call for submissions

Current PhD, MSc, and MSCM students, as well as recent graduates (Fall 2018 or Spring 2019) are eligible. Submit an abstract (500-600 words) summarizing your research. Posters can be based on dissertations, theses, proposals, or project reports from research-based seminars.

For detailed submission guidelines see:  
**[concordia.ca/agre](http://concordia.ca/agre)**

Deadline: **Wednesday 25<sup>th</sup> September**
