INTERLIBRARY LOANS SERVICE

The [Interlibrary loans service](#) (ILL) is embedded within the Discovery tool [Sofia](#). ILL requests are made directly in the Sofia Discovery tool, using the “Request via Interlibrary Loan” button or using the form available under the “Requests” tab in your Sofia [“My Account”](#).

The screenshot shows the Sofia Discovery tool interface for the book "God, human, animal, machine : technology, metaphor, and the search for meaning" by Meghan O'Gieblyn. The book cover is on the left. To the right, the title and author are listed. Below the author, there is a "Print Book" entry for the 2022 first edition. A summary is also provided. At the top right, there are buttons for "Cite", "Share", and "Save". On the right side, there is a "My account" dropdown menu with options for "Checkouts", "Requests", and "Fees". Below the book details, there is an "Access Options" section with a button labeled "Request via Interlibrary Loan".

If you visit another university library in Québec, your Concordia ID card will be your library card. (The BCI card is no longer required, nor supported.)

For more information on how to place ILL requests for books, articles and chapter scans, please visit the [User guide for the Sofia Discovery tool](#).

This service is available to Concordia undergraduate and graduate students, faculty members and staff.
