

## Incremental Project Grants (IPG) Program Program Description and Allocation Overview 2022-2023

The Incremental Project grants (IPG) funding opportunity is a stream of the Research Support Fund (RSF) that provides further support for the indirect costs of research, in addition to the RSF grant. The IPG provides additional support for projects in the following four priority areas:

- innovation and commercialization activities;
- facilities renewal, including deferred maintenance;
- information resources, including digital resources, open access and databases; and
- equity, diversity and faculty renewal (in the context of equity, diversity and inclusion).

For 2022-2023, Concordia University requested IPG funding for the following projects (currently pending decision):

<b>Projects</b>	<b>IPG Program Priority Area</b>	<b>Notional Amounts</b>
Improving Intellectual Property and Research Commercialization Services at Concordia's Office of Research	Innovation and commercialization activities	\$50,000
Research Infrastructure Renewal at Concordia University	Facilities renewal, including deferred maintenance	\$323,930
Supporting Open Access Infrastructure at Concordia University	Information resources, including digital resources, open access and databases	\$40,000
Development of Research Support for Computing and Information Technology at Concordia University	Information resources, including digital resources, open access and databases	\$130,000
Supporting Equity, Diversity and Inclusion Awareness at Concordia University	Equity, diversity and faculty renewal (in the context of equity, diversity and inclusion)	\$40,000
<b>TOTAL</b>		<b>\$583,930</b>
