Home / Research

Research at Concordia

We're a research university on the move. See how we're tackling societal challenges – and how our discoveries will define the next generation.

Research updates

- Open research labs asked to complete an “On-Campus Research Activities Closure Preparedness Plan”.
- For issues with managing lab capacity along with any of the COVID-19 hygiene and safety measures, contact EHS at ehs@concordia.ca.
- Canada Research Continuity Emergency Fund (CRCEF):
 - Final deadline for stage 3 - December 15
 - Stage 4 additional salary support is now 24 weeks

Virtual research outreach activities
