

CURRICULUM VITAE

of

Dr. Frank G. Müller

Business Address: Concordia University, Department of Economics
Sir George Williams Campus
1455 De Maisonneuve Blvd. West
Montreal, Quebec, Canada
H3G 1M8

Tel.: (514) 848 2424 ext. 3917
Fax.: (514) 848 4536
e-mail: Frank.G.Muller@sympatico.ca

Marital Status: Married to Maria Antonieta Roca Moreyra

Languages: English
German
French
Spanish

Academic Background

January 1966 Free University of Berlin, Berlin, Germany
M.A. in Economics

September 1968 – University of Pennsylvania, Philadelphia,
June 1969 Pennsylvania, U.S.A.
Post-graduate Studies

July 1970 Ruhr University of Bochum, Bochum, Germany
Ph. D. in Economics

Work Experience

April 2002 – Conference organizer for International Society for Ecological
July 2004 Economics (ISEE), “Challenging Boundaries: Economics, Ecology

Governance”; July 11- 14, 2004, Montreal, Quebec.

October 2003 - Past-President of CANSEE/SCANEE (Canadian Society for Ecological Economics).

October 2002 - Conference organizer for CANSEE, “Sustainable Development: Are we making Genuine Progress?” October 16 –19, 2003, Jasper Park Lodge, Jasper, Alberta

September 2001- President of CANSEE/SCANEE (Canadian Society for Ecological Economics)

October 2003

July 2000- Vice-President Program and Conference organizer for CANSEE, September 2001 “Ecological Sustainability in a Global Market Economy”, August 23 – 25, McGill University, Montreal, Quebec.

July 2000- On Sabbatical Leave

December 2000

January 2000- Vice-President, Program of the Canadian Society for Ecological Economics (CANSEE/SCANEE)

August 2001

July 2000- Adjunct Professor at McGill University, McGill School of Environment (MSE)

March 1997 - Visiting Professor, Universidad del Pacifico, Lima, **Peru**

July 1997

December 1991 - Acting Coordinator, preparing a proposal for a Graduate College of May 1993 Environmental Studies

June 1988 Promotion to Full Professor, Department of Economics, Concordia University, Montreal

June 1989 - Environmental Planner to set up Environmental Planning Capacity, October 1989 Lusaka, **Zambia**
On Sabbatical Leave from Concordia University

June 1986 - Chairman, Department of Economics

May 1988 Concordia University

May 1981 - United Nations Environmental Programme (UNEP), June 1983 Nairobi, **Kenya**
Environmental Management Policies and Application Unit, Chief
On leave from Concordia University

June 1980 - Research Fellow at the International Institute of Environment and

May 1981	Society, Science Centre Berlin, Berlin, Germany On Sabbatical Leave from Concordia University
June 1977	Tenure granted, Department of Economics, Concordia University
June 1974	Joined Concordia University as Associate Professor
July 1970 - June 1974	University of Waterloo, Waterloo, Ontario, Canada Department of Economics, Assistant Professor
April 1966 - June 1970	Ruhr University of Bochum, Bochum, Germany Research and Teaching Assistant

International Institutions and Organizations

International Institute of Environment and Society, **Science Centre Berlin**, Berlin, Germany, Summer Research Fellow 1978, 1979, 1980 – 1981, 1985, and 1987.

United Nations Environmental Programme (UNEP), Nairobi, Kenya; Chief, Environmental Management and Application Unit, 1981 – 1983.

International Union for Conservation and Nature and Natural Resources (IUCN), Environmental Planner; Lusaka, Zambia, June- October 1989.

Courses Taught

Introduction to Economics
 Comparative Economic Systems
 Macroeconomic Theory and Policy
 Environmental Economics (or Ecological Economics at various levels)
 Natural Resource Economics
 Public Finance, Benefit-Cost Analysis
 Microeconomics
 Statistics
 Mathematics for Economists

Current Research Areas

Environmental and Natural Resource Economics (Ecological Economics)
Environmental Policy and Management

Scholarship and Awards

September 1968 - University of Philadelphia, Pa. , U.S.A.
June 1969 Scholarship of the German Academic Exchange Service,
 (DAAD), Post Graduate Studies.

May 2003 Awarded membership in “Le Club des Ambassadeurs”,
 Palais des Congrès de Montreal.

Professional Membership

International Society for Ecological Economics (ISEE)
Canadian Society for Ecological Economics (CANSEE, Founding Member)
IUCN-CEC-member (Commission on Education and Communication)

Writings

1966 **M. A. Thesis:** “Arguments Pro and Con for a Monetary System
 with Fixed or Flexible Exchange Rates”.

1970 **Ph.D. Thesis:** “The Weintraub-Theorem: A Contribution to Inflation
 Theory”.

Articles in Refereed Journals

“A Theoretical Approach to the Investment Wage”, in: **The Economic and Social Review**, vol. 2, no. 4, 1971, pp. 439 – 451.

“Environmental Destruction and Foreign Debt”, in: **Acts and Proceedings**, Second International Congress of Geography of the Americas; Lima, Peru, 1992, vol. 1992, pp. 447 – 460.

“Canada’s Environmental Policy”, (in German), revised and updated, in: **Handwörterbuch des Umweltrechts**, E. Schmidt – Verlag, Berlin, Germany, 1992, pp. 1227 – 1234.

“Ecotourism: An Economic Concept for Ecological Sustainable Tourism”, in: **Proceedings**, First International Event: Biodiversity and Tourism, Holguin, Cuba, 1998, pp. 89 – 97.

“Ecological Economics as a Basis for Distributive Justice”, in: **Frontiers in Ecological Economic Theory**, edit. By J.D. Erickson and J. M. Gowdy, Edward Elgar Publishing, May 2007.

“The Discounting Confusion: A Need for an Environmental Discount Rate?”, submitted Dec. 2009.

Books

“Introduction to Integrated Physical, Socio-Economic and Environmental Planning”; edited and partly written by F. G. Müller, Co-author: Y. Ahmad; Tycooly International, Dublin 1982.

“Substitution Effects in Public Budgets – Environmental Protection as New Policy Objective”; Co-author: K. Zimmermann, Campus-Verlag, Frankfurt a. M. – New York, 1985.

“A Handbook of Environmental Impact Assessment for Use in Developing Countries”; Co-author G. Davies; United Nations Environmental Programme (UNEP), Nairobi, Kenya, 1983.

Working Papers and Miscellaneous

“Productivity-Related Wage Policy and the Stability of the Price Level”, in: **Waterloo Economic Series**, no. 53, 1972.

“Economic Systems and the Degradation of Environmental Quality”, in: **Waterloo Economic Series**, no. 80, 1973.

“Environmental Economics”, in: **Common Sense Economics**, vol. 1, no.2, 1973, pp. 25 –28.

“The Law of the Sea Conference and its Consequences for the International Income Distribution”, in: **Concordia University Working Papers**, no. 9, 1977.

“The Employment Effects of Environmental Policy: An International Comparison of Germany and U.S.A.”, in: **Atlantic Economic Journal**, vol. 7, no. 4, 1979, pp. 90 – 91 (an abstract).

“The Financing of Clean-up Toxic Waste Deposits – The U.S. Superfund”, (in German), in: **IUG Discussion Papers**, no. 25, 1985.

Conferences and Papers Presented

“Antipollution Policy and Income Distribution”, (paper); The Waterloo Conference on Canada’s Development, November 11 – 14, 1972; University of Waterloo, Waterloo, Ontario, **Canada**.

“Economic Incentives and Environmental Control – Water Management in the German Ruhr Area”, (paper); The First Interdisciplinary Stream-think Conference, University of Waterloo, Waterloo, Ontario, **Canada**.

“Economic Systems and the Degradation of Environmental Quality”, (paper); Canadian Economic Association, 7th Annual Meeting, June 11- 14, 1973, Queen’s University, Kingston, Ontario, **Canada**.

“Approaches of Environmental Impact Studies”, (paper); 3rd Symposium of Economic and Legal Problems of Environmental Protection, Handelshochschule St. Gallen, November 21 – 22, 1973, St. Gallen, **Switzerland**.

“Economic Growth and the Quality of Life”, (paper); Conference of Public and Cooperative Economy, May 20 - 22, 1974, Hamburg, **Germany**.

“Minimum Wages and Welfare Distribution”, (chairman); Canadian Economic Association, 10th Annual Meeting, May 31 – June 2, 1976; Laval University, Quebec, **Canada**.

“Public Choice, Property Rights, and Environmental Protection”, (paper); Public Choice Society, European Section, University Basle; September 22 – 24, 1976, Basle, **Switzerland**.

“Resource Development and Property Rights”, Panel Discussion, Western Regional Association, 16th Meeting, February 25 – 27, 1977; Tucson, Arizona, **U.S.A.**

“The Law of the Sea conference and Its Consequences for the International Income Distribution”, (paper); and “Canada and Extended Fisheries Jurisdiction in the Northeast Pacific: Some Issues in Optimal Resource Management”, (discussant), 5th Pacific Regional Science Conference, Simon Fraser University, August 16 – 19, 1977, Vancouver, B. C., **Canada**.

“On Interfering with Foreign Investment and Trade when Technologies Differ”, (discussant); International Institute of Public Finance, September 5 – 9, 1977, Varna, **Bulgaria**.

“Old Elites in the Russian and Chinese Revolutions”, (discussant); Central and East European Studies Association of Canada, March 2 – 5, 1978; Banff, Alberta, **Canada**.

“The Employment Effects of Environmental Policy – An International Comparison: Germany and U.S.A.”; (**paper**); International Atlantic Society Conference, May 10 – 18, 1979, Vienna, **Austria**.

“Substitution Effects in Public Budgets – The Case of Local Environmental Expenditures for the Federal Republic of Germany”, 1963 – 1976”, (paper); 5th Advanced Summer Institute in Regional Science, August 11 – 22, 1980, Amsterdam, **The Netherlands**.

“Environmental Management – Issues of an Integrated Planning Approach”, (paper); Ad-hoc Meeting of Integrated Physical, Socio-Economic and Environmental Planning, September 2 – 4, 1982, UNEP – Paris, **France**.

“The 4th International Expert Group Meeting on Cost-Benefit Evaluation of Environmental Protection Measures”, UNEP-Conference Organizer, November 4 – 6, 1981, Istanbul, **Turkey**.

“Cost-Benefit Analysis and Environmental Impact Assessment – Some Problems of Application in Developing Countries”, (paper); Seminar on Environmental Impact Assessment, July 4 – 17, 1982, University of Aberdeen; Aberdeen, Scotland, **U.K.**

“Environmental Impact Assessment and its Application in Developing Countries”, (paper); Seminar on Improving Environmental Soundness of Industrial Projects in Asian

Countries, German Foundation for International Development, September 27 – October 1, 1982, Berlin, **Germany**.

“Problems of Evaluation of Environmental Damages in Developing Countries”, (paper); Federal Environmental Protection Agency, September 29, 1982, Berlin, **Germany**.

“Management of Hazardous Waste in Canada”, (paper); World Conference on Hazardous Waste, October 25 – 31, 1987, Budapest, **Hungary**.

“Concepts of Environmental and Natural Resource Accounting”, (paper); Preparing for a Sustainable Society, An Interdisciplinary conference, Ryerson Polytechnic Institute, June 21 – 22, 1991, Toronto, Ontario, **Canada**.

“Environmental Destruction and Foreign Debt”, (paper); 2nd International Conference of Geography of the Americas: An International and Interdisciplinary Conference, January 4 – 11, 1992, Lima, **Peru**.

“Preventive Environmental Policy: Concepts and Impediments”, (paper); 4th World Academic Conference on Human Ecology, July 22- 27, 1993; Mérida, **Mexico**.

“Preventive Environmental Policy: A Realistic Policy Option?”, (paper); Ecological Economics Conference, October 1 – 3, 1993, University of Ottawa, Ottawa, Ontario, **Canada**.

“Ecological Realpolitik: The Necessity of International Transfer Payments to Developing Countries for Environmental Protection”, (paper); International Society of Ecological Economics, October 24 – 28, 1994, San José, **Costa Rica**.

“La Gestion de los Recursos Naturales y el Medio Ambiente”, (paper); and “La Economía del Capital Ecológico”, International Conference organized by the Consorcio de Investigacion Economica, April 19 – 20, 1995, Lima, **Peru**.

“Economic Valuation of Ecological Capital”, (Seminar/Workshop presented in Spanish), August 7 – 24, 1995, Organized by the Consorcio de Investigacion Economia, Lima, **Peru**.

“Valuing and Safeguarding Biological Diversity as a Global Responsibility”, (paper presented as a **Keynote Speaker** at the LEAD-National Seminar, November 23, 1998, El Colegio de Mexico, Mexico-City, **Mexico**.

“Environmental Economics and Ecological Economics: Antagonistic Approaches?” (paper), CANSEE-Conference, August 27 – 29, 1999, University of Regina, Saskatchewan, **Canada**.

“Does the Convention on Biodiversity Safeguard Biological Diversity?” invited guest lecture at McGill University, September 20, 1999, Montreal, Quebec, **Canada**.

“Conservation of Biological Diversity: The Agony of Setting Priorities”, invited **Keynote Speaker**, Primera Conferencia Internacional Sobre Biodiversidad en Mesoamérica, August 7 – 11, 2000, Gamboa, **Panama**.

“Zum Verhältnis zwischen Ökonomie und Ökologie”, October 12, 2000, **Guest lecture**, University of Dortmund, Dortmund, **Germany**.

“Ecological Sustainability of the Global Market Economy”, 4th Biennial Conference of the Canadian Society for Ecological Economics, **VP-Program and Conference Chairman**, August 23 – 25, 2001, McGill University, Montreal, **Canada**.

“Ecological Economics as a Basis for Distributive Justice”, (paper), The 7th Biennial Conference of ISEE, March 6 – 9, 2002, Sousse, **Tunisia**.

“Ecological Economics and Distributive Justice”, (workshop), Global Governance 2002, Redefining Global Democracy, Civil Society and the Democratization of Global Governance, October 13 – 16, 2002, Montreal, Quebec, **Canada**.

“The Biosafety Protocol and Its Socio-economic and Environmental Seeds of Discord”, (paper), II Simposio Internacional de Biotecnología, Region Andina, Universidad Nacional Agraria La Molina, December 9 – 11, 2002, Lima, **Peru**.

“Ecological Economics as a Basis for Distributive Justice”, (paper), US-Ecological Economics Society, May 22- 24, 2003, Saratoga Springs, N.Y., **U.S.A.**

“Achieving Sustainability: The Role of Ethical Values”, **Panel member**, Plenary Conference Panel, 5th Biennial Conference of the Canadian Society for Ecological Economics, October 16 – 19, 2003, Jasper, Alberta, **Canada**.

“Economic Costs and Benefits of Implementing Kyoto”, (workshop, speaker), meeting with a Delegation from the Parliamentary Assembly of the Council of Europe regarding economic issues and environment; **House of Commons**, November 18, 2003, Ottawa, Ontario.

“Challenging Boundaries: Economics, Ecology, and Governance”, 8th Biennial Scientific Conference of the International Society for Ecological Economics, **Conference Co-organizer**, July 11 – 14, 2004, Palais des Congrès, Montreal, Canada.

“ The Kyoto-Protocol”, **CBC-Radio**: Noon, Feb. 15, 2004, 1: 00pm – 2:00pm talk show; **CBC-Radio International**, Telephone interview: “Why is Business opposing the Kyoto-Protocol?”, Feb. 15, 2004; **CBC-Radio Newfoundland**, Telephone interview: “What is the Kyoto-Protocol?”, Feb. 16, 2004; **CBC –TV**, Round table discussion, “The Kyoto-Protocol”, Feb. 16, 2004.

“Public versus Private Responsibility in achieving sustainable Businesses and Societies”; **Panel Discussion**, Sustainable Business Conference, Concordia University, Montreal, March 11, 2005.

“Ecology and Ecological Economics: Symbiosis for a sustainable Future”, **Panel member**, Workshop, 9th International Congress of Ecology, August 7 – 12, 2005, Palais des Congrès, Montreal, Canada.

“Environmental Education: Humans, Nature, and Environment”, (paper and panel member), 6th Biennial conference of the Canadian Society for Ecological Economics, October 27- 29, 2005. York University, Toronto, Ontario, Canada.

“The Global Environmental Facility: A Green Band-aid Solution”? (**paper**), International Organisations and Global Environmental Governance; 2005 Berlin Conference on the human dimensions of Global environmental change; Berlin-Potsdam, December 2-3, 2005.

“The Euro: A North-American Perspective; or: what connects Iraq to Iran”; **paper**, April 3, 2006; The history of the Euro, a conference and exhibition organized by the consulate of Germany at Concordia University, Montreal.

“Ecological Economics: Concepts and Methods”; **Guest-lecture**, Department of Conservation Biology, McGill University, Montreal, November 2, 2006.

“Monetary Valuation of Ecosystem Services”; paper; Presentation for a Chinese Delegation, IUCN, Dec. 7, 2006, Montreal.

“The Incompatibility of Neo-liberal Globalization with Democracy and Ecological Sustainable Economic Development”; **paper**, 9th biennial Conference of the International Society for Ecological Economics, Dec. 15 – 18, 2006, New-Delhi, India.

“The Tensions of Neo-liberal Globalization with Democracy, Ecological Sustainability, and Distributive Justice”; **paper**, Blueprints for Change, Sustainability Festival 2007, March 1, 2007, Concordia University, Montreal.

“Climate Change Policy: An European and German Perspective”, November 28, 2007; Goethe-Institute, Montreal, Quebec, Canada.

“The Discounting Confusion: A Need for an Environmental Discount Rate”? **paper**, 8th Biennial Conference of the Canadian Society for Ecology Economics; October 20-22, 2009, Vancouver, BC. Canada.

“The Discounting Mess: Do we need an Environmental Discount Rate?” **paper**, 13th World Congress of Social Economics, June 28 – July 1, 2010, Montreal, PQ, Canada.
