
Dr. Monica E. Mulrennan

Curriculum Vitae

Home: 208 Strathearn Ave N
Montreal West, Quebec H4X 1Y2
Tel: (514) 486-1593

Work: Concordia University

- Department of Geography, Planning and Environment (GPE)
Tel: (514) 848-2424 ext 2055
- Office of the Vice-President of Research and Graduate Studies
Tel: (541) 848.2424 ext 4467

1455 de Maisonneuve Blvd. West, Montreal, Quebec H3G 1M8
Email: monica.mulrennan@concordia.ca
<https://www.concordia.ca/faculty/monica-E-mulrennan.html>

ACADEMIC POSITIONS:

1. Concordia University

Year:	Position:	Department/Unit
2019-	Associate Vice President, Research	Office of Vice-President, Research & Grad Studies
1999-	Associate Professor	Geography, Planning and Environment
2014-17	Department Chair	Geography, Planning and Environment
2005-08	Associate Dean, Students Affairs	School of Graduate Studies
1994-99	Assistant Professor	Geography, Planning and Environment

2. Post-doctoral Experience

1993-94	International Postdoctoral Fellow	McGill University (Geography)
1992-03	Research Fellow	Australian National University
1991-92	Postdoctoral Fellow	Australian National University
1990-91	Postdoctoral Fellow	University of Wollongong, Australia

EDUCATION

Year:	Degree:	Institution:
1985-90 ¹	Ph.D., Geography	University College Dublin, Ireland
1980-84	B.A. (hons), Geography, English	University College Dublin, Ireland

¹ Fast-tracked from Masters to Ph.D. degree in 1987.

MAJOR AWARDS AND DISTINCTIONS

2019	Australian National University, Visiting Fellow
2018	Moore Institute Visiting Research Fellowship, National University of Ireland, Galway
2017	Academic Leadership Award, Concordia University
2009	Sustainability Champion, Concordia University
1992-93	NSERC International Postdoctoral Fellowship
1990-91	Australian-European Postdoctoral Fellowship (Irish Recipient)
1989-90	National University of Ireland, Postgraduate Travel Award (Germany)
1985-88	Carlow County Postgraduate Study Scholarship
1980-84	Carlow County Higher Education Scholarship

RESEARCH ACTIVITIES

- Graduate research group website: <https://picef.weebly.com/>
- Research Centre: <http://cicada.world/>

PUBLICATIONS:

- Graduate students indicated in **bold**
- Indigenous partners indicated with underline

Monographs/books

1. Mulrennan, M.E., C.H. Scott and **K. Scott**, eds. 2019. *Caring for Eeyou Istchee: Protected Area Creation in Wemindji Cree Territory*. 408pp. Vancouver: UBC Press. <https://www.ubcpres.ca/caring-for-eeyou-istchee>
2. Mulrennan M.E., 1998. *A Casebook of Environmental Issues in Canada*. New York: Wiley & Sons Inc. 136pp.
3. Woodroffe C.D. and Mulrennan M.E. 1993. *The Geomorphology of the Lower Mary River Plains, Northern Territory*. Darwin: Conservation Commission of the Northern Territory and North Australia Research Unit, Australian National University. 152pp.

Journal Articles:

1. **Dewan, K.**, M.E. Mulrennan, and **C. Lamontagne**. Accepted. Community-based or community-faced? Wemindji Cree perspectives on twenty-two years of subsistence fisheries monitoring. *Marine Policy* decision 06 December 2019.
2. **Burbano, D.**, Meredith, T. and M.E. Mulrennan. 2020. Exclusionary Decision-Making Processes in Marine Governance: The Rezoning Plan for the Protected Areas of the 'Iconic' Galapagos Islands, Ecuador. *Ocean and Coastal Management*, Vol 185, 105066.
3. Mulrennan, M.E. and **V. Bussièrès**. 2018. Social-Ecological Resilience in Indigenous Coastal Edge Contexts. *Ecology and Society*, 23(3):18. <https://doi.org/10.5751/ES-10341-230318>
4. **Brammer, J., Brunet, N.**, Burton, C., Cuerrier, A., Danielsen, F., **Dewan, K.**, Herrmann, T., Jackson, M., Kennett, R., Larocque, G., Mulrennan, M., Pratihast, A., Ste-Arnaud, M., Scott, C. and Humphries, M. 2016.

- The role of digital data entry in participatory environmental monitoring. *Conservation Biology*. 10.1111/cobi.12727 <http://onlinelibrary.wiley.com/doi/10.1111/cobi.12727/abstract>
5. Mulrennan, M.E. 2014. On the edge: a consideration of the adaptive capacity of Indigenous Peoples in coastal zones from the Arctic to the Tropics. In: Martini, I. P. & Wanless, H. R. (eds) *Sedimentary Coastal Zones from High to Low Latitudes: Similarities and Differences*. Geological Society, London, Special Publications, 388, <http://dx.doi.org/10.1144/SP388.21>

2. Mulrennan M.E. 1994. "The Evolution and Control of Resource Management in the Torres Strait, Australia." *Actes du Colloque: Les Peuples Indigènes et La Mise en Valeur des Ressources en Eau*. Groupe Consensus, UQCN and Société Makivik, Québec. 88-101.

INVITED SPEAKER/PLENARY PRESENTATIONS

- 2019 Beyond Fishing: Torres Strait Islander Women's Connections to the Sea. Ocean histories *Sea Spaces and Oceanic History* Symposium UTS Haymarket Campus Sydney. Convenor: Professor Diane Kirkby, UTS Law in conjunction with Dr. Stephen Gapps, Australian National Maritime Museum, October 11 (participating via Zoom).
- 2019 Beyond Fishing: Torres Strait Islander Women's Connections to the Sea. Public lecture sponsored by the Centre for Aboriginal Economic Policy Research (CAEPR), ANU Gender Institute, ANU Research School of Social Sciences (RSSS) and the ANU's Office of the Vice-Chancellor. Australian National University. March 7.
- 2018 Place Matters: Indigenous Approaches to Sustainability. Sustainability across Disciplines Conference, Concordia University. March 8.
- 2018 Beyond Fishing: the connection of Indigenous Torres Strait Islander (northern Australia) Women to sea space. Public lecture, Moore Institute Visiting Research Fellow Public Lecture, National University of Ireland, Galway, The Salt Station, Galway, March 1.
- 2017 Orientation for Newly Appointed Chairs, Concordia University, Montreal, June 2.
- 2017 Constraints and Opportunities for the creation of ICCAs in the context of Comprehensive Land/Sea Claims settlements. Indigenous Peoples' Land Rights and the Roles of Ethnoecology and Ethnobotany, Victoria, British Columbia, May 4.
- 2016 Overview of Progress Towards the Creation of Indigenous-led Protected Areas in Canada. ICCA Consortium General Assembly Meeting, Geneva, November 30.
- 2016 Indigenous Perspectives on Sustainability. Keynote Speaker, Let's Talk Sustainability! CEGEP Symposium. Let's Talk Science, Montreal, November 5.
- 2016 Into the Community: An Introduction to Community Engagement for Scientists and Engineers. Coordinating instructor, Centre for Engineering in Society, Concordia University, 3-4 October.
- 2016 Considerations for Engaging Indigenous Communities. Invited Speaker at the NSERC CREATE-EI 'Eye-Opener to Indigenous Engagement' Workshop, McGill University, McDonald Campus, April 10.
- 2016 (with Shawn Wilson) Decolonizing Methodologies: Can relational research be a basis for renewed relationships? Living Knowledge Workshop Series, Concordia University, February 15.
- 2015 Indigenous Knowledge: Engaging Cultural and Place-based Dimensions of Biodiversity, Plenary Address, Quebec Centre for Biodiversity Science, Montreal, October 29.

- 2015 Engaging Traditional Ecological Knowledge in support of Environmental Protection. Invited presentation to Presentation to the Commission on Environmental Cooperation, Montreal, October 5.
- 2013 Partnerships in Protected Areas: The Wemindji Protected Areas Project, northern Quebec. Dawson College, Montreal, Social Science Week, Plenary Speaker, February 11-15
- 2013 (with D. Georgekish) Indigenous Peoples and Protected Areas in Canada: lessons from the experience of the James Bay Cree Community of Wemindji. World Indigenous Network Conference, Darwin, May 26-31.
- 2012 (with V. Bussi eres, M. Humphries, K. Scott & D. Stewart) *Aa-wiichaautuwiihkw* (travelling together): Wemindji Protected Areas Project. *International Polar Year Conference*. Montreal, April 23-27.
- 2011 (Scott, C.H., Mulrennan, M.E., Humphries, M.M. and F. Brassard) Panel on Building Northern Quebec’s Protected Area Network. Quebec Centre for Biodiversity Science (QCBS) Symposium, Montreal, December 8.
- 2010 Partnerships in Protected Area Research and Planning: The Wemindji Protected Areas Project. Invited speaker at the Annual Northern Studies Lecture, Lakehead University, November.
- 2002 Speaker, Geographical Lecture Series, Marianopolis College “Indigenous Australia: Torres Strait Islanders and the Sea”, 12 November 2002.
- 2001 Invited Speaker, Edinburgh School, Montreal West, Grade 1, “James Bay Cree Children.” October
- 2002 (with Colin Scott) The Assertion of Islander Control in Torres Strait Seas. Invited speakers, The Great Barrier Reef Marine Park Authority, Townsville, August 1.
- 2002 (with Colin Scott) The Assertion of Islander Control in Torres Strait Seas. Invited speakers, The School of Tropical Environment Studies and Geography (TESAG), James Cook University, Townsville, July 31
- 2002 (with Colin Scott) The Context of Community-based Resource Management in Torres Strait. Invited speakers, The Project Seahorse-Haribon Foundation Team, Suba, northern Bohol, Philippines, June 3.
- 2002 Indigenous Participation in Fisheries Management in Torres Strait, Northern Australia. Invited speaker, Montreal Institute for Genocide Studies, Concordia University, February 1.

CONFERENCE PRESENTATIONS

Graduate students indicated in bold.

- 2019 (with Colin Scott and **Katherine Scott**) Caring for Eeyou Istchee: Protected area creation on Wemindji Cree territory. Joint conference of the American Association of Anthropology (AAA) and the Canadian Society for Anthropology (CASCA), 20 November.
- 2019 (with Bussi eres) Territories of life: Indigenous peoples' stewardship (governance, management and conservation) of their collective territories and area (the UAPASHKUSS), North American Dialogue on Biocultural Diversity, Convention on Biological Diversity and CICADA, Montr al, Qu bec 5-7 May.
- 2018 (with **Lalancette**) Competing Voices: Indigenous Rights in the Shadow of Conventional Fisheries Management in the Tropical Rock Lobster Fishery in Torres Strait, *Australia*. 3rd World Small-scale Fisheries Congress, Chiang Mai, Thailand, October 22-26.
- 2018 (with **Lalancette**) "We're not here to kill everything in the sea": Conflicting perspectives between indigenous Torres Strait Islanders and conventional fisheries management in northern Australia. CAG-IGU Regional Conference, Qu bec City, QC, 6-10 August.
- 2018 (with **Sarwath**) Mapping Adaptive Responses of Contemporary Land Activities: Hunting Cabins as a Lens on Change. Canadian Association of Geographers. Quebec City, August 9.
- 2018 (with **Lalancette**) How Indigenous Fishing Practices Can Contribute to Wellbeing and Social-ecological Resilience: An Example from Torres Strait, Australia. Conference on Communities, Conservation & Livelihoods, Halifax, May 28-30.
- 2017 (with Bussi eres) Protecting "Tawich": exploring the complexity of environmental governance and stewardship in Eeyou Istchee (Eastern James Bay), Qu bec Centre for Biodiversity Science Annual Symposium, Montr al, Qu bec 11-13 December.
- 2017 (with **Lalancette**) Linking Social-ecological Resilience and Social Wellbeing in the Understanding of an Indigenous Fishery. Atlantic Division of the Canadian Association of Geographers (A-CAG), Halifax, NS, October 27-29, 2017
- 2016 (with **Hossein**) Community-Based Tourism: A Study of Stakeholder Perspectives on a Proposed Polar Bear Viewing Project in Wemindji, Northern Qu bec, 5th International Polar Tourism Research Network Conference, August 29-September 2.
- 2016 Indigenous Women and Fishing in the Torres Strait, northern Australia. International Marine Conservation Conference (IMCC4), Making Marine Science Matter, St John's, Newfoundland, August 3.
- 2016 (with **Lalancette**) Competing Voices: Indigenous perspectives and conventional fisheries management in the Torres Strait tropical rock lobster fishery. International Marine Conservation Conference (IMCC4), St John's, Newfoundland, August 2.
- 2016 (with **Bussi eres**) Protected areas at the land-sea interface: Lessons for collaboration. International Marine Conservation Conference (IMCC4), St John's, Newfoundland, August 3.
- 2016 Debe tonar: respecting and sharing community land and sea space on Erub, Torres Strait, Australia. Annual Meetings of the American Anthropological Association, San Francisco, March 28-April 2.

- 2015 The Proposed Tawich (Marine) Conservation Area (Poster), Center for Indigenous Conservation and Development Alternatives (CICADA) annual conference, St-Paulin, Québec, 23-27 October.
- 2015 (with **Lalancette**) Preference Interviews: A useful Method for Engaging with Local Fishers. Quebec Center for Biodiversity Science Annual Symposium, Montreal, October 29-31.
- 2015 Indigenous Peoples, Protected Areas and the Reshaping of Indigenous-State Relations in Canada. Canadian Indigenous/Native Studies Association (CINSA) Conference, Montreal, June 11-13.
- 2015 (with **Lalancette**) Competing Voices: The Politics of Quota Introduction in the Tropical Rock Lobster Fishery of Torres Strait, Australia. Canadian Indigenous/Native Studies Association (CINSA) Conference, Montreal, June 11-13.
- 2015 Indigenous Peoples' Participation in Protected Areas and the Reshaping of Settler-Colonial Relations in Canada. Annual Meetings of the American Association of Geographers, Chicago, April.
- 2014 Sea Space as Home Place: Indigenous Torres Strait Islander women's connection to sea. Annual Meetings of the American Anthropological Association, Washington DC, December.
- 2014 The Contribution of Subsistence Fishing to Marine Conservation. International Marine Conservation Conference (IMCC3), Glasgow, August 14-18.
- 2014 (with **Dewan**) Community-based monitoring and indigenous peoples: from contributory monitoring to collaborative monitoring to community-led monitoring. Annual Ecological Society of America Conference, Sacramento, California, August 10-15.
- 2014 (with **Dewan**) Community-based monitoring and indigenous peoples: from contributory monitoring to collaborative monitoring to community-led monitoring. North American Congress for Conservation Biology, Missoula, Montana, July 13-16.
- 2014 (with **Dewan and K. Scott**) On the line: Sustaining subsistence fishing in the Coastal Cree Community of Wemindji, northern Quebec, Annual Meeting of the Canadian Association of Geographers, Brock University, St. Catherine's, Ontario, May 26.
- 2014 (with Colin Scott) "Proposed Tawich (Marine) Protected Area: An Update and Prospectus." Presented at the Symposium on Science and Traditional Knowledge in the Eeyou Marine Region, Montreal, March 25-27.
- 2014 (with **Dewan and K. Scott**) Subsistence fishing in the Coastal Cree Community of Wemindji, northern Quebec. Symposium on Science and Traditional Knowledge in the Eeyou Marine Region, Montreal, March 25-27.
- 2014 (with **Syvanen**) Wemindji Cree Observations and Interpretations of Climate Change: Assessing Vulnerability and Adaptability in the Sub-Arctic. Symposium on Science and Traditional Knowledge in the Eeyou Marine Region, Montreal, March 25-27, poster.
- 2014 (with **Sayles**) Landscape Modifications by Wemindji Cree Hunters in Response to Rapid Coastal Changes. Symposium on Science and Traditional Knowledge in the Eeyou Marine Region, Montreal, March 25-27, poster.
- 2013 (with **Lalancette**) Indigenous Management Perspectives and Social Sustainability: The Case of the Tropical Rock Lobster Fishery in Torres Strait, Australia. Quebec Center for Biodiversity Science Annual Symposium, McGill University, December 11-13.

- 2013 (with **Lalancette**) Indigenous Management Perspectives and Social Sustainability: The Case of the Tropical Rock Lobster Fishery in Torres Strait, Australia. Canadian Association of Geographers AGM, Memorial University, August 11-15.
- 2012 (with **Lalancette**) Understanding the Human Dimension of an Indigenous Fishery: Potential and Limits of Some Participatory Methods. Quebec Center for Biodiversity Science Annual, Université du Québec à Montréal, December 13-14. *Winner of the Special Prize for an Integrated Biodiversity Science*
- 2012 (with **Seydewitz**) "An Assessment of Multi-Stakeholder Participation in the Trans-Canada Trail: Lessons to inform Sendero de Chile and trail networks in Latin America and the Caribbean, Quebec Centre for Biodiversity Science (QCBS) Symposium, Montreal, December 13-14.
- 2012 Navigating a Sea of Uncertainty: Obstacles and Opportunities for Partnering with Aboriginal Peoples in the Protection of Canada's Oceans. Annual Meeting of the Canadian Association of Geographers, Wilfrid Laurier University and University of Waterloo, May 28-June 1.
- 2012 Sea Space, Home Place: connections of Indigenous Torres Strait Islander Women to Sea. Annual Meeting of the Canadian Association of Geographers, Wilfrid Laurier University and University of Waterloo, May 28-June 1.
- 2012 (with **Bussièrès**) Coastal Marine Protected Areas beyond edges. Annual Meeting of the Canadian Association of Geographers, Wilfrid Laurier University and University of Waterloo, May 28-June 1.
- 2012 (with **Bussièrès**, Humphries, **K. Scott** and **D. Stewart**) *Aa-wiichaautuwiihkw* (travelling together): Wemindji Protected Areas Project". Indigenous Knowledge Exchange, International Polar Year Conference, April 23-27.
- 2011 (with **Brammer, J.R.**, Cuerrier, A., Humphries, M.M., Landry-Cuerrier, M., Larocque, G., Levine, J., Herrmann, T.M, and C.H. Scott) Exploring local responses to community-based environmental monitoring in northern regions using GPS-equipped handheld devices with a touch screen CyberTracker interface. Quebec Centre for Biodiversity Science (QCBS) Symposium, Montreal, December 8
- 2011 Marine Conservation through Indigenous Agreements: the James Bay Cree. International Marine Conservation Conference (IMCC2), Victoria, May.
- 2011 (with **Layton Cartier**) "Environmental Governance and Marine Protected Areas in Québec". International Marine Conservation Conference (IMCC2), Victoria, May.
- 2010 (with **K. Scott**) Partnerships in Protected Area Planning: The Wemindji Protected Areas Project. Annual Meeting of the Canadian Association of Geographers, University of Regina, June 2010.
- 2009 Progress towards the Establishment of the Tawich (Marine) Conservation Area", Annual Meeting of the Ocean Management Research Network, Ottawa, October.
- 2009 Protected Area Development: Opportunities and Constraints from the Perspective of a Northern Aboriginal Community. Annual Meeting of the Canadian Association of Geographers, Carlton University, Ottawa, May.
- 2009 Marine Protected Area Development and a Northern Aboriginal Community. Annual Meeting of the Association of American Geographers, Las Vegas, March.

- 2008 (with **Sayles**) Wemindji Cree Adaptations to Coastal Landscape change, Eastern James Bay. Annual Meetings of the Association of American Geographers. April 15-19.
- 2007 (with **Sayles**) James Bay Cree Response to Coastal Landscape Change, Eastern James Bay. Annual Meeting of the Ocean Management Research Network, Ottawa, October 24-27.
- 2007 (with **Sayles**). Where Islands Meet the Mainland; Understanding Dynamic Human and Biophysical Historic Coastal Changes in Wemindji, Eastern James Bay, QC. 8th International Association of Canadian Universities for Northern Studies (ACUNS) Student Conference on Northern Studies. Oct 19-21.
- 2007 (with Scott C.H. and **Bussi eres**) Can a Marine Protected Area Support Aboriginal Rights in Cree Customary Tenure? 6th Annual International Conference of Science and Management of Protected Areas, Acadia University, Wolfville, Nova Scotia, May 21-26.
- 2006 (with **Sayles**) Adaptation to coastal change: recent shoreline displacement and associated human land-use and landscape modifications, Wemindji, Eastern James Bay, Quebec. The New England, St. Lawrence Valley Division of the Association of the American Geographers Annual Meeting. Oct 13-15, 2006.
- 2005 Reaffirming 'Community' in the Context of Community-based Conservation. Paper presented to the Fourth Globalization and Autonomy Team Meeting, Munk Centre for International Studies, University of Toronto, September.
- 2005 (with Scott C.H.) Reconfiguring *Mare Nullius*: Marine Tenure and the Transnational Emergence of Indigenous Sea Rights. Paper presented to the Fourth Globalization and Autonomy Team Meeting, Munk Centre for International Studies, University of Toronto, September.
- 2005 Beyond Fishing: Indigenous Women's Connection to Sea on an Eastern Torres Strait island, Northern Australia. Annual Meetings of the Canadian Association of Geographers, London, Ontario, June.
- 2005 Understanding Indigenous Geographies in Torres Strait, Northern Australia. Annual Meetings of the Canadian Association of Geographers, London, Ontario, June.
- 2005 Indigenous Women's Connection to Sea on an Eastern Torres Strait island, Northern Australia. Symposium on 'Translocality: Discussing Culture and Change in the 21st Century', Annual Meeting of the Canadian Anthropology Society, Aut noma de Yucat n, M rida, Mexico, May 3-6.
- 2005 (with Scott, C.H.) The Conflict between Indigenous Marine Tenure and Industrial Licencing in Torres Strait, Queensland, Northern Australia. Paper presented to the conference 'Translocality: Discussing Culture and Change in the 21st Century', Annual Meeting of the Canadian Anthropology Society, Aut noma de Yucat n, M rida, Mexico, May 3-6.
- 2003 (with Scott C.H.) Divergences and Convergences in the Concept and Practice of Fisheries Management in a Coral Reef Environment: Scientific Managers and Indigenous Islanders in Torres Strait, northern Australia. Special session 'Conservation as Science, Discourse and Conflict with Indigenous Peoples' Perception and Practice', American Anthropological Association, Chicago, November 19-23.
- 2003 (with Scott, C.H.) Small Boats versus Big Boats: Reconciling Indigenous and Scientific Knowledge Approaches to Fisheries Management and Development in Torres Strait, Northern Australia. Paper

- presented to the Second International Conference Centre for Maritime Research (MARE) 'People and the Sea II: Conflicts, Threats and Opportunities', Amsterdam, September 4-6.
- 2003 (with **Bussières** and Scott, C.H.) Creating a Culturally Appropriate Protected Watershed and Adjacent Offshore in James Bay Cree Territory. Fifth Science and Management of Protected Areas Conference (SAMPA V) Victoria, B.C., May 15.
- 2003 (with Scott, C.H.) Between Conflict and Consent: Marine Tenure, Native Title and Fisheries Management in Torres Strait, Northern Australia. Paper presented in the session 'Aboriginal Property and Identity: From Conflict to Consent', CASCA Conference, Halifax, May 8-11.
- 2002 Islander Participation in Fisheries Management, Torres Strait, Northern Australia. Paper session on Resource Management, Annual NESTVAL Conference, Concordia University, November 2.
- 2002 Islander Knowledge in the Context of Fisheries Management, Torres Strait. Annual Meetings of the Institute of British Geographers, Queen's University, Belfast, January.
- 2001 Who's Listening? Islander Knowledge in Fisheries Management, Torres Strait. International Conference Series 'Putting Fishers Knowledge to Work', University of British Columbia, Fisheries Centre, Vancouver, August 27-30.
- 2001 Indigenous Participation and Fisheries Management in a Context of Shifting Rights: Torres Strait, Northern Australia. Special session on 'Shifting Rights and Local Destinies: The Political Interpretation of Entitlement', Annual Meetings of CASCA/AES/SCA, Montreal, May 5.
- 2001 Overcoming Terrography: advancing the marine frontier. Special session on "Questions on the Marine Frontiers of Human Geography", Annual Meetings of the American Association of Geographers, New York, March 2.
- 1998 (with C.H. Scott) "Beyond the Water's Edge: Defining Home Terri/Mare/tory." Paper presented in the Symposium on Redefining Territory: Indigenous and State Perspectives and Strategies, at the 8th International Conference on Hunting and Gathering Societies (CHAGS), National Museum of Ethnology, Osaka, Japan, October.
- 1998 (with C.H. Scott) "Connection to Land and Sea at Erub, Torres Strait." Paper presented in the Symposium on Redefining Territory, Aboriginal Territory and Management Rights theme, at the Crossing Boundaries, 7th Common Property Conference of the International Association for the Study of Common Property (IASCP), University of British Columbia, Vancouver, June 10-14
- 1998 (with C.H. Scott) "Native Title and Customary Tenure at Erub, Torres Strait, Australia." STANDD/AGREE Seminar Series, McGill University, March.
- 1997 (with C.H. Scott) "Cultural (Dis)Continuity and Native Title at Erub, Torres Strait, Northern Australia." Paper presented in the Symposium on Law and the Social Construction of Difference, Canadian Anthropology Society, Learned Societies Meetings, St. John's, June.
- 1996 (with C.H. Scott) "Mare Nullius: Indigenous Rights in Saltwater Environments." Paper presented in the Symposium on Space and Place, American Anthropological Association Annual Meetings, San Francisco, November.

- 1995 "Overcoming Mare Nullius: Reconceptualizing Sea Space in the Torres Strait, Northern Australia." Paper presented in the Symposium on Images of the Sea: Maritime Cultures, Geopolitics and Seapower, Land, Sea and Human Effort, 28th International Geographical Congress, The Hague, August.
- 1995 "The Extension of Co-Management Arrangements into Coastal and Marine Environments." Colloquia on Research on First Nations, Department of Anthropology, Concordia University, November.
- 1995 "The Politics of Environmental Management in the Torres Strait." AGREE Research Program, Seminar Series, McGill University, October.
- 1995 "The Extension of Co-Management Arrangements into the James Bay Offshore Zone." Paper presented in the Symposium on Environment and Development Issues in the Canadian North, Learned Society Meetings, Canadian Anthropological Society/Canadian Association of Geographers Joint Session, Montreal, May.
- 1994 (with W.H. Pollard) "Indigenous People and Coastal Zone Management: the Experience of Canada's James Bay Cree and Australia's Torres Strait Islanders." Paper presented in the Symposium on Aboriginal Communities, Coastal Zone Canada '94: Cooperation in the Coastal Zone, Halifax, Nova Scotia, September.
- 1994 "The Evolution and Control of Resource Management in the Torres Strait, Australia." Paper presented in the Symposium on Les expériences de participation des peuples indigènes dans la mise en valeur des ressources en eau, International Conference on Indigenous Peoples and Water Resource Development Projects, Le Groupe Consensus, Makivik and UQCN, Montreal, April.
- 1993 (with C.H. Scott) "Co-Management: An Unequal Partnership? Two Cases from James Bay and the Torres Strait." Paper presented in the Symposium on Dispossession: Justice and Paradox in the Conflicts and Claims of Indigenous Peoples, American Anthropological Association Meetings, Washington, D.C., November.
- 1993 (with M.E. Sullivan) "Torres Strait: Environmental Issues and Management Strategies." Paper presented at the Symposium on Partnerships in Environmental Management, Environment Institute of Australia, Sydney, September.
- 1993 (with C.D. Woodroffe) "Holocene Evolution of the Lower Mary River Plains, Northern Territory." Paper presented at the Third International Geomorphology Conference, McMaster University, Hamilton, Ontario, August.
- 1993 (with M.E. Sullivan) "Torres Strait: Recent Initiatives in Environmental Management." Paper presented in the Symposium on Indigenous Peoples and Sea Rights, Turning the Tide, NTU Law Faculty and Centre for Aboriginal and Islander Studies, Darwin, July.
- 1993 "Next Steps: Toward a Marine Strategy for Torres Strait (MaSTS)." Paper presented at the Islander Coordinating Council's Workshop on MaSTS, Thursday Island, Torres Strait, June.
- 1993 "Torres Strait Islander Involvement in the Ocean Rescue 2000 Program." Paper presented at the Commonwealth Ocean Rescue 2000 Project Coordinator's Workshop, Department of Environment, Sport and Territories, Canberra, March.

- 1992 (with P. Jull) "Indigenous Peoples and Sustainability: the Recent Political Development of Australia's Torres Strait and Canada's Nunavut." Paper presented at the Conference of the Association for Canadian Studies in Australia and New Zealand (ACSANZ), Victoria University of Wellington, December.
- 1992 "The Case for a Marine Strategy for Torres Strait." Paper presented in the Marine Workshop, Surviving Columbus: Indigenous Environments Today and Tomorrow. Northern Land Council, Central Land Council, Island Coordinating Council and North Australia Research Unit, Darwin, October.
- 1992 "The Mary River: A Management Dilemma for the Top End." Seminar series, Commonwealth Scientific and Industrial Research Organisation, CSIRO, Darwin, September.
- 1992 (with C.D. Woodroffe) "Holocene Evolution of the Lower Mary River Plains, Northern Territory." Paper presented at the 5th Meeting of the Australia/New Zealand Geomorphology Research Group, Port Macquarie, NSW, April.
- 1992 "Coastal Management: Challenges and Changes in the Torres Strait Islands." Seminar series, North Australia Research Unit, Australian National University, Darwin, March.
- 1991 "A National Coastal Zone Management Strategy for Australia." Paper presented at the Symposium on Planning for Environmental Change: Conservation and Development in North Australia. NT Museum of Arts and Sciences, Darwin, September.
- 1991 "Geomorphic Development of a Coastal Wetland Environment, Northern Territory." Seminar series, Department of Geography, University of Wollongong, NSW.
- 1989 "Short-term Process Dynamics of a Ridge and Runnel Beach System." Poster presentation, 2nd International Geomorphology Conference, Frankfurt, Germany, September.
- 1989 "The Holocene Evolution, Historical Development and Short-term Dynamics of the Barrier-Beach Complexes of the North County Dublin Coastline." Paper presented at the Annual Congress of the Geographical Society of Ireland, University College Dublin, May.
- 1988 "Sediment Transfers between Beach and Dune Environments." Seminar series, Geological Society of Ireland, Trinity College Dublin.
- 1987 "Management of Irish Coastal Environments." Paper presented in the Symposium on The Irish Sea: A Resource at Risk. Geological Survey, Dublin.
- 1986 "The Contribution of Remote Sensing Techniques to the Monitoring of Changes in Coastal Environments." Paper presented in the Symposium on Remote Sensing, Industry Centre, University College Dublin.
- 1985 "The Geomorphic Development of the Corballis Spit Complex, North County Dublin." Annual Congress of the Geographical Society of Ireland, Carysfort College, Dublin.

SYMPOSIA ORGANIZED AND/OR CHAIRED

- 2019 (member, organizing committee) North American Dialogue on Biocultural Diversity. Conference co-sponsored by CICADA and the Secretariat of the Convention on Biological Diversity, Montreal, 5-8 May <https://qcbs.ca/wp-content/uploads/2019/03/Preliminary-program-North-American-Dialogue-version-of-27-Feb-2019.pdf>

- 2019 (with Annick Thomassin, Julie Lahn) Torres Strait Utopias and (Im)Possible Futures. Workshop involving Torres Strait Islanders, Torres Strait Islander scholars and non-indigenous allies outlining principles and practices for research in Torres Strait, Centre for Aboriginal Economic Policy (CAEPR), Australia National University, Canberra, 7-8 March.
- 2015 (member, organizing committee) Canadian Indigenous and Native Studies Association Conference (CINSA), Concordia University, June.
- 2015 (with Heather Castleden, Queens University) Co-organised and co-chaired "Envisioning the Future(s) of Indigenous Geographies, Special Panel Session, Joint Session involving (for the first time)) all four Indigenous Geography specialty groups (Australia, New Zealand, US and Canada), American Association of Geographers (AAG) Annual Meetings, San Francisco, 24 April.
- 2014 (with Annie Lalancette and Peter Stoett) "Symposium on the Human Dimension of Biodiversity Conservation and Management". Co-sponsored by QCBS, INSTEAD and Concordia University. Concordia University.
- 2012 (with Heather Castleden, Queens University) Co-organised and Co-chaired, "Giving Back: Research and Reciprocity with Indigenous Peoples", three special sessions, Indigenous Peoples Working Group, Canadian Association of Geographers (CAG) Annual Meetings, Wilfrid Laurier University and University of Waterloo, May 28-June 1.
- 2012 Co-organized and co-facilitated workshop on community-based participatory research (CBPR) in an Indigenous Knowledge Exchange, at the International Polar Year Conference entitled "*Aa-wiichaautuwiihkw* (travelling together): Wemindji Protected Areas Project". 22-27 April.
- 2010 (with Heather Castleden, Queens University) Co-organised and co-chaired, Special Sessions on "Research Ethics and Aboriginal Peoples in Canada" and "Community-Based Participatory Research (CBPR) involving indigenous research partners, University of Regina, June 2.
- 2000 Chair, McGill School of Environment, Grand Council of the Crees and Centre for Indigenous Peoples' Nutrition and Environment Joint Session "The Land of the James Bay Cree: An Environment in Motion". 6th International Interdisciplinary Conference on the Environment. Montreal, June.
- 1998 Invited Facilitator, Workshop on Environmental Assessment and Traditional Environmental Knowledge, Concordia University, April.
- 1996 Convenor (with AGREE team), Negotiating Nationhood: An Intercultural Dialogue on Native Issues, AGREE Research Program, McGill University, December.
- 1995 Convenor and Chair (with C.H. Scott), Canadian Anthropology Society/Canadian Association of Geographers Joint Session "Environmental and Development Issues in the Canadian North". Learned Society Meetings, UQAM, Montreal, May.
- 1994 Chair, Symposium on Aboriginal Communities, Coastal Zone Canada '94: Cooperation in the Coastal Zone, Halifax, Nova Scotia, September.

- 1994 Co-Organizer (with C.H. Scott), AGREE Workshop, AGREE Research Program, Ouje-Bougoumou, James Bay, March.
- 1993 Co-organizer and facilitator (with V. McGrath), Torres Strait Workshop on MaSTS, Thursday Island, Torres Strait (attended by Islander leadership, community representatives, academic colleagues and over 50 government department representatives, June.
- 1991 Co-organizer (with P. Jull), Marine Workshop of Surviving Columbus: The Indigenous Environment Today and Tomorrow, Conference, Northern Land Council, Central Land Council, Island Coordinating Council and North Australia Research Unit, Darwin, October.

BOOK REVIEWS

1. Mulrennan, M.E. 2001 Social and Environmental Impacts of the James Bay Hydroelectric Project: Review of James F. Horning, ed. Montreal & Kingston: McGill-Queen's University Press, 1999. *Environments*, 29 (1): 146-147.
2. Mulrennan, M.E, 1991 Review of C.D. Haynes, M.G. Ridpath and M.A.G. Williams. (eds). Monsoonal Australia: Landscape, Ecology and Man in the Northern Lowlands (Rotterdam: Balkema). *Global Ecology and Biogeography Letters*.

THESES

- 1990 *The Geomorphic Development of the Barrier-Beach Complexes of the North County Dublin Coastline*. Unpublished PhD Thesis, National University of Ireland.
- 1986 Fast-tracked from M.A. to Ph.D.
- 1984 *The Geomorphology of the Corballis Spit Complex at Malahide, County Dublin*. Unpublished B.A. Honours Dissertation, National University of Ireland.

RESEARCH GRANTS

External Funding

- | | |
|-----------|---|
| 2019-2014 | 2018 Large-Scale Applied Research Project Competition: Genomics Solutions for Agriculture, Agri-food, Fisheries and Aquaculture "FISHES: Fostering Indigenous Small-scale fisheries for Health, Economy, and food Security" total funding \$14.4M (PI Louis Bernatchez, U Laval) Co-investigator |
| 2019-2024 | Social Sciences and Humanities Research Council (SSHRC) Partnership Grant (application submitted Nov 1 st) "Conservation as Reconciliation: Supporting the Transformation of Conservation in Canada" (CRP), Co-investigator and Lead Researcher of Research Stream 3 (Indigenous Conservation Governance), \$2.5M (PI Robin Roth, U Guelph) Co-investigator |
| 2018-2019 | Australian National University, Research School of Social Sciences, Visiting Fellowship Scheme, \$6500 Principal Investigator. |

- 2018-2019 Social Sciences and Humanities Research Council (SSHRC) Partnership Grant LOI, "Conservation as Reconciliation: supporting the transformation of conservation in Canada", \$20,000, (PI Robin Roth, U Guelph) Co-investigator
- 2018-2019 Federation for the Humanities and Social Sciences, through the Awards to Scholarly Publications Program (ASPP), publication grant for Caring for Eeyou Istchee: Protected Area Creation in Wemindji Cree Territory, \$8,000 Principal Investigator
- 2017-2023 Fonds de Recherche du Québec - Société et la Culture (FRQSC), "Centre pour la conservation et le développement autochtones alternatifs/ Centre for Indigenous Conservation and Development Alternatives (CCDAA/CICADA)", \$1,565,700 (PI Colin Scott, McGill) Co-investigator
- 2017-2021 Fonds de Recherche du Québec - Société et la Culture (FRQSC), "Environnements autochtones, héritage culturel et aires protégées dans Les Amériques/Indigenous Stewardship of Environment and Alternative Development (INSTEAD)," \$620,000 (PI Colin Scott, McGill) Co-investigator
- 2014-2021 Social Sciences and Humanities Research Council (SSHRC), Partnership Grant, "Rural Policy Learning Commons: Building Rural Policy through International Comparative Analysis." \$2.5M (PI William Reimer, Brandon) PI for Concordia U
- 2014-2017 Fonds de Recherche du Québec – Société et la Culture (FRQSC), Regroupements stratégiques (émergence), "Centre pour la conservation et le développement autochtones alternatifs/ Centre for Indigenous Conservation and Development Alternatives (CCDAA/CICADA)," \$238,500 (PI Colin Scott, McGill) Co-investigator
- 2014-2015 Quebec Centre for Biodiversity Science (QCBS), "Symposium on the Human Dimension of Biodiversity Conservation and Management", \$6,000 Principal Investigator.
- 2013-2020 Fonds de Recherche du Québec – Nature et les Technologies (FRQNT), Regroupements stratégiques, "Centre de la Science de la Biodiversity du Québec (CSBQ)/Quebec Centre for Biodiversity Sciences (QCBS)," \$3,420,000 (PI: Andrew Gonzalez, McGill University) Co-investigator
- 2013-2017 Fonds de Recherche du Québec - Société et la Culture (FRQSC), Soutien aux équipes de recherche (équipes en fonctionnement), "Intendance Environnementale Autochtone et Développement Alternatif," \$601,951 (PI Colin Scott) Co-investigator
- 2013 Social Sciences and Humanities Research Council, Insight Team Grant, "Community-based monitoring of protected areas by James Bay Crees." Principal Investigator, Category 4A (recommended for funding but insufficient funds)
- 2012-2014 Quebec Centre for Biodiversity Sciences (QCBS), Working Group grant for Indigenous Stewardship of Environment and Alternative Development (INSTEAD) research program, \$20,000 Co-investigator (PI Colin Scott, McGill)
- 2012 Social Sciences and Humanities Research Council, Insight Team Grant, "Community-based monitoring of protected areas by James Bay Crees." Principal Investigator, Category 4A (recommended for funding but insufficient funds)

- 2011 Graduate Student Excellence Awards, Quebec Centre for Biodiversity Science (FRQNT Regroupement Strategique), \$6149, Principal Investigator
- 2011-2013 Fonds de Recherche du Québec - Société et la Culture (FRQSC), Soutien aux équipes de recherche (équipes en emergence), "Refaire les lieux et les identités autochtones: environnement, héritage culturel et zones protégées dans Les Amériques," \$79,200 Co-investigator (PI Colin Scott, McGill).
- 2011-2012 Quebec Centre for Biodiversity Science (QCBS), Working Group grant for "Community-based biodiversity monitoring using GPS-equipped handheld devices." \$5000 (PI Murray Humphries, McGill)
- 2005-2011 Social Sciences and Humanities Research Council, Community-University Research Alliance (CURA) Program, "Protected Area Creation, Culture and Development at the Cree Community of Wemindji, James Bay, Quebec," \$998,636 Co-investigator (PI Colin Scott, McGill) Con-investigator
- 2012 *Social Sciences and Humanities Research Council, Insight Grant, "Community-based monitoring of protected areas by James Bay Crees." Principal Investigator, Category 4A (recommended for funding but insufficient funds)*
- 2004-2006 Social Sciences and Humanities Research Council of Canada, Aboriginal Research grant, "Building Knowledge-Based Partnerships for Environmental Protection, Cree Cultural Survival and Community Education at Wemindji, James Bay, Quebec," \$250,000 (PI Colin Scott, McGill) Con-investigator
- 2004-2006 Social Sciences and Humanities Research Council, Northern Research Development Program, "Building Knowledge-Based Partnerships for Environmental Protection and Cultural Continuity with the Cree Community of Wemindji, James Bay, Northern Quebec," \$40,000 (PI Colin Scott, McGill) Co-Investigator
- 2003-2004 Social Sciences and Humanities Research Council, Community-University Research Alliance (CURA) proposal development grant, "Protected Area Creation, Culture and Development at the Cree Community of Wemindji, James Bay, Quebec", \$20,000 (PI Colin Scott, McGill) Co-investigator
- 2002-2006 Social Sciences and Humanities Research Council, Major Collaborative Research Initiatives Program, "Globalization and Autonomy", \$2,500,000 (PI Will Coleman, McMaster University) Co-investigator
- 2002-2006 MacArthur Foundation and International Development Research Centre, "Understanding and Improving the Effectiveness of Community-Based Marine Protected Areas for Marine Life and for People," \$816,605 (Principal investigator: Amanda Vincent, McGill University/ University of British Columbia) Co-investigator
- 2001-2005 Social Sciences and Humanities Research Council, Standard Research Grant, "Local Knowledge and Marine Resource Management at Erub, Torres Strait", \$67,000 Principal Investigator.
- 2000-2003 Fonds pour la Formation de Chercheurs et l'Aide à la Recherche (FCAR) Team Grant, "Land

- Rights and Resources: Property, Justice and Violence in Community Context," \$210,000 (PI: John Galaty, McGill University) Co-investigator
- 1995-1999 Fonds pour la Formation de Chercheurs et l'Aide à la Recherche (FCAR), Programme Etablissement de Nouveaux Chercheurs, "Indigenous Communities and the Coastal Zone: An Integrated Approach to the Documentation and Management of Environmental Change." \$42,000 (plus \$9,300 for equipment), Principal Investigator.
- 1994-1997 Fonds pour la formation de chercheurs et l'aide à la recherche, Programme Soutien aux Equipes de Recherche, "Aboriginal Government, Resources and Development." \$120,000 (PI Colin Scott, McGill) Co-investigator

Internal Funding

- 2019-2024 Office of the Vice-President, Research and Graduate Studies, "Conservation as Reconciliation," SSHRC Partnership Grant. Supporting Funds. \$30,000. Principal Investigator.
- 2019-2020 Office of the Vice-President, Research and Graduate Studies, Scholarly Research Support for Senior Administrator, \$25,000. Principal Investigator.
- 2018-2019 Seed (Individual Program), Office of the Vice-President, Research and Graduate Studies "Casting a Wider Net: recognizing and supporting Torres Strait Islander Women's connections to the sea", \$4,703 Principal Investigator.
- 2014-2017 Research Support for Academic Unit Heads, \$47,000 Principal Investigator.
- 2014-2019 Office of the Vice-President, Research and Graduate Studies, "Centre for Indigenous Conservation and Development Alternatives (CICADA)," FRQSC Research Centre, Supporting Funds. \$50,000. Principal Investigator.
- 2014 Aid to Research Related Events, Exhibition, Publication and Dissemination Activities Program (ARRE), Office of the Vice-President, Research and Graduate Studies, "Symposium on the Human Dimension of Biodiversity Conservation and Management", \$4,347 Principal Investigator.
- 2012-2013 Aid To Scholarly Activity, Vice-President of Research and Graduate Studies Seed Grant, "Community-based monitoring of protected areas by James Bay Creees." \$6962 Principal Investigator.
- 2000-2001 General Research Funds, "Wemindji Cree: Knowledge, Use, and Management of Coastal and Marine Environments, East Coast of James Bay, Northern Quebec." \$2,500 Principal Investigator.
- 1999-2000 General Research Funds, "Cree Knowledge, Use, and Management of Blackstone Bay, East Coast of James Bay, Northern Quebec." \$3000 Principal Investigator.
- 1998-1999 Innovative Teaching Grant "A Geographer's World: An Integrated Approach to People, Land and Society" \$8000 (Co-applicant with Patricia Thornton
- 1994-1998 Faculty Research and Development Program, "Indigenous Communities and the Coastal Zone: An Integrated Approach to the Documentation and Management of Environmental Change." \$42,500 Principal Investigator.

GRADUATE STUDENT SUPERVISION

PhD Thesis Supervision

1. Leila Vaziri Zanjani (Geography, Urban and Environmental Studies, Concordia, Yr 2) Global Trends in the Creation of Indigenous Territories of Life
2. Kristine Franks (Geography, Urban and Environmental Studies, Concordia, Yr 4) Water Wonders: Empowering connections between youth, water, culture, tradition and technology
3. Nafisa Sarwath (Geography, Urban and Environmental Studies, Concordia, Yr 4) Sustaining Connections to the Land: Challenges for and Adaptation Strategies of Wemindji Eeyouch
4. Véronique Bussi eres (INDI, Concordia, Yr 7) Stewards of our land: a critical analysis of indigenous stewardship in contemporary environmental governance institutions in Canada
5. Annick Thomassin (Anthropology, McGill, completed May 2019 – co-supervisor with Colin Scott) Ina ngalmun lagau malu’ (This Part of the Sea Belongs to Us): Politics, Sea Rights and Fisheries Co-management in Zenadh Kes (Torres Strait)
6. Annie Lalancette (SIP, Concordia, completed May 2017) Integrating indigenous perspectives into fisheries management: challenges and opportunities in Torres Strait, Northern Australia.
7. Marivic Pajaro (Natural Resource Management, University of British Columbia, completed January 2010 – co-supervisor with A. Vincent) Socio-economic Indicators of Marine Protected Area (MPA) Success in the Central Philippines.

Master’s Thesis Supervision

1. Heather Elliott (Geography, Urban and Environmental Studies, Concordia, Yr 2) Unsettling the Table: Decolonization within and through the food movement
2. Jessica Hewitt (Geography, Urban and Environmental Studies, Concordia, Yr 3) Remapping land with Kwantlen First Nation: strategies for enhancing their control and participation in Regional Park planning and management in British Columbia
3. Salman Banisadr (Geography, Urban and Environmental Studies, Concordia, Yr 6) Graduate Thesis Research as a Lens on the Discipline of Geography’s Engagement of Indigenous Communities in Canada
4. Chloe Boone (Geography, Urban and Environmental Studies, Concordia, completed May 2019) Relationships, language, and the land: Cree language revitalisation in Wemindji Cree First Nation
5. Tariq Hossein (Geography, Urban and Environmental Studies, Concordia, completed May 2017) Tourism as a Livelihood Alternative for James Bay Cree Coastal Communities
6. Erich Seydewitz (Geography, Urban and Environmental Studies, Concordia, completed July 2016) An Assessment of Multi-Stakeholder Participation in the Trans Canada Trail: Lessons to inform Sendero de Chile.
7. Cassandra Lamontagne (Geography, Urban and Environmental Studies, Concordia, completed May 2016, co-supervised with D. Matthews) “This change isn’t good”: Gitga’ata Traditional Ecological Knowledge of environmental change

8. Kanwaljeet Dewan (Geography, Urban and Environmental Studies, Concordia, completed May 2016) Towards an improved understanding of community-level fisheries monitoring: A case study of the Wemindji Community Fisheries Program.
9. Genevieve Layton-Cartier Environmental Governance of Marine Protected Area Initiatives in Quebec
10. Magdalena Garcia (Geography, Urban and Environmental Studies, Concordia, completed December 2011) A Comparative Exploration of Indigenous Protected Area (PA) Governance Arrangements in Chile and Canada.
11. Andra Syvänen (Geography, Urban and Environmental Studies, Concordia, completed August 2011) Wemindji Cree Observation and Interpretations of Climate Change: Documenting Adaptability in the Sub-Arctic.
12. Jesse Sayles (Geography, Urban and Environmental Studies, Concordia, completed July 2008) Tapaiitam: Human modifications of the coast as adaptations to environmental change, Wemindji, eastern James Bay.
13. Miriam Atkinson (MPPPA, Concordia, Completed Winter 2008) Caring for the Land: Nemaska Cree strategies of resistance to the EM-1-A and Rupert Diversion Project in eastern James Bay, northern Quebec.
14. Véronique Bussi eres (MPPPA, Concordia, Completed Fall 2005) Developing a Culturally Appropriate Protected Area at Old Factory, Wemindji, James Bay.
15. Lauren Penney (MPPPA, Concordia, Completed Spring 2005) Direct Action as a Strategy for Indigenous Empowerment in Natural Resource Management.
16. Nick Sanders (MPPPA, Concordia, Completed Spring 2005) Developing a Protected Areas Model for the Northern Appalachians.
17. Ioana Radu (MPPPA, Concordia, Completed Spring 2005) Internet Technology, Place and Identity among Nemaska Cree Youth, James Bay.
18. Eleni Panagiotaraku (MPPPA, Concordia, Completed Fall 2003) Native Women, the Built Environment and Community Well-being: James Bay Crees.
19. Laurie-Anne White (MPPPA, Concordia, Completed Spring 2000) Economy and Economic Relations of an Inuit *ilagitt* (extended family) in Kangitugaapik, Nunavut – a case-study.

Graduate Thesis Committee Member:

1. Diana Burbano “Assessing Complex Adaptive Systems: Resource-based livelihoods in the face of tourism development in the iconic Galapagos Islands – A comparative analysis” PhD Geography, McGill University (In progress, expected Spring 2020)
2. Lauren King “Northern Aboriginal Peoples and Protected Areas” PhD Geography, U Waterloo (In progress, expected 2022)
3. Robyn Rees “Food systems change as a catalyst for social-ecological transformation: Interwoven narrative perspectives of place-based experiences in Hudson (Quebec)” M.Sc. in Geography, Urban and Environmental Studies. In progress (completed September 2019).
4. Tom McGurk “Indigenous Online Mapping in Canada - Decolonizing or Recolonizing: Forms of Spatial Expressions?” M.Sc. in Geography, Urban and Environmental Studies, Completed May 2018.

5. Loukia Papadopoulos “A “Good” NAMA = a bankable NAMA: Financing (i.e. a NAMA’s bankability) is the factor that most influences whether a NAMA succeeds in getting the support requested in order to be implemented”, M.Sc. in Geography, Urban and Environmental Studies, Completed December 2016.
6. Kristine Franks “*Neebee Miseew aa Aiispitaskimka chaastchee aa Kiniwaptoomk / Water Ethics: Exploring Cree youth’s relationship with water in Eeyou Istchee*. M.A. Independent (INDI) Program, Completed June 2016
7. Michelle Braiden “Carl Schmitt, The League of Nations and The Chaco War: Colonial Boundaries, PostColonial Borders and Indigenous Dispossession”. M.Sc. in Geography, Urban and Environmental Studies. Completed September 2014
8. Herbert, Rhiannon “Home-Making as Adaptive Practice: The Meeting of Resilience, Adaptation, Knowledge, and Place in the Community of Ouje-Bougoumou”. M.Sc. in Geography, Urban and Environmental Studies. In progress (2009, completed Winter 2012).
9. Giueb, Eli “The Cultural Context of MPAs in the Central Philippines.” Ph.D in Anthropology, McGill (2002, completed Spring 2009)
10. Anticamara, Jonathan “Biological Assessments of the Efficacy of MPAs in the Central Philippines”. Ph.D in Fisheries, University of British Columbia (completed Spring 2009)
11. Wagner, John “Commons in Transition: an analysis of social and ecological change to PNG forests and coasts. Ph.D in Anthropology, McGill (1997, completed Spring 2002)
12. Bouret, Pierre “Coastal Zone Management: Shrimp aquaculture on the central Pacific coast of Mexico” Ph.D in Anthropology, McGill (1997, completed Spring 2002)

Internship Supervisor (Masters of Environmental Assessment):

Student:	Status:
1. Marion Macé	Completed June 2018
2. Cindy Bertrán	Completed January 2018
3. Dillon Crosilla	Completed December 2017
4. Osman Aganagic	Completed September 2015
5. Ron Strangway	Completed January 2015
6. Charles Cameron	Completed October 2014
7. Elyse Maisonneuve	Completed December 2013
8. Heather Rasmussen	Completed September 2013
9. Adam Levine	Completed April 2013
10. Catherine Gieysztor	Completed April 2013
11. Jennifer Garard	Completed March 2013
12. Kim Milligan	Completed March 2013
13. Brenna Belland	Completed January 2013
14. Cristina Romanelli	Completed December 2012
15. Ashley Caya	Completed May 2011
16. Jean Doyon	Completed February 2010
17. Jaron Dyble	Completed February 2010
18. Carolyn Dunn	Completed February 2003

External Doctoral Thesis Examiner:

1. Gerardo Vergara-Asenjo (2016) *Land Cover Dynamics in Panama: Local Lessons Addressing Global Challenges in the Context of REDD+*. PhD, McGill University
2. Maria Jose Barragan Paladines (2015) *Exploring Governance in Galapagos Marine Reserve*, PhD, Memorial University.
3. Sheri A. Longboat (2012) *First Nations Water Security and Collaborative Governance: Chippewas of Kettle and Stony Point First Nation, Ontario, Canada*, PhD, Wilfred Laurier University.
4. Scott Heyes (2007) Inuit knowledge and perceptions of the land-water interface. PhD Thesis, Department of Geography, McGill University.

Honours Thesis Supervisor:

1. Alessandra Szilagyi (co-supervised with Leonard Sklar) "Cree Testimonials following the Construction of the James Bay Hydroelectric Project: A Discourse Analysis" 2018-19
2. Genevieve Nadeau Bonin, "Growing food on unknown soil: Understanding the History of Contamination in Kahnawà:ke" 2017-18
3. Alexandre Pace "Education Outside the Nation: Cree perspectives on the Post-Secondary Experience" 2016-17
4. Anne-Sophie Belanger "Indigenous University Research Engagement: A review of graduate thesis research at Concordia University and within the discipline of geography in Canada" 2016-17
5. Jamie Radu "Bringing the Voices of Indigenous Peoples to the World Parks Congress in Sydney: A Social Media Analysis" 2015-16
6. Chloe Boone (co-supervision with A. Matveev) "Kahnawà:ke Mohawk First Nation's Experiences in Collaborative Water Stewardship" 2015-16
7. Nora Rosenthal, "Frozen Rights in a Melting Landscape: Narratives of Climate Change and Inuit Cultural Sovereignty" 2013-14.
8. Jessie Smith, "Social sustainability and green buildings: A case study of the Square Benny Complex" 2011-12
9. Robyn Rees, "Sustainable Concordia: Lessons from a sustainability transformative initiative" 2011-12
10. Dean Bradford, (co-supervision with B. Reimer) "Understanding environmental changes in Northern Cree communities: A case study of local observations and interpretations from the Pukatawagan Reserve" 2010-11
11. Alexandre Maltais, "The Concept of Cultural Landscape: Reconciling Aboriginal Interests and Protection Frameworks in Land Conservation" 2005-06
12. Sophie Rioux-Hébert "Traditional Fishing and Women on Erub, Torres Strait" 2002-03
13. Susy Domenicano (co-supervision with D. Greene) "Pattern and Frequency Distribution of Post-fire Organic Depths in Canadian Boreal Forests", 2002-03
14. Monica Wadey (co-supervision with P. Biron) "Determining sources of phosphorus in Lac Saint-Francois-Xavier, Quebec" 2001-02
15. Jill Ray, "An assessment of prototype guidelines to integrate traditional knowledge in environmental impact assessment" 1999-00
16. Chester Baranski, "The Lake Champlain Basin: Application of the Ecosystem Management Approach" 1998-99
17. Eric St-Pierre, "A Just Coffee Fair trade and the empowerment of small-scale Mexican coffee growers" 1997-98

18. Susan Woodley, "Ecotourism: Opportunities and Challenges For Nunavut" 1996-97

19. Richard Tardif, "Geographical Information Systems Among Canada's First Nations People" 1996-97

TEACHING

ENVS 668	Indigenous Peoples and Environmental Assessment
HENV 675	Community-based Conservation
HENV 615	Graduate Research Seminar
GEOG 491	Honours Essay
GEOG 470/670	Environmental Management
GEOG 407/607	Indigenous Peoples and the Environment
GEOG 377	Landform Evolution
GEOG 369	Field Studies in Geography
GEOG 290	A Geographer's World: Environment and Society
GEOG 276	Landforms and the Biosphere
GEOG 203 EC (online)	Canadian Environmental Issues
GEOG 203	Canadian Environmental Issues
SCHA 254	Environmental Issues II
SCHA 253	Environmental Issues I

SERVICE AND ADMINISTRATIVE RESPONSIBILITIES

External to Concordia University

Service to Indigenous Research Partners:

- Ally and research partner of the Crees of *Eeyou Istchee*
- Ally and research partner of Torres Strait Islanders

Service to Discipline of Geography/Sub-discipline of Indigenous Geographies:

- External Appraiser (with Francine McCarthy, Brock) Academic Program Review of the Department of Environment and Geography, Bishop's University, December 3-4, 2019 (site visit).
- External Appraiser (with Nicolas Bromley, SFU) Academic Program Review of the Department of Geography, University of Victoria, British Columbia, September 10-12, 2018 (site visit).
- Chair, Indigenous Peoples Working Group (IPWG), Specialty Group of the Canadian Association of Geographers (2008-2015)
- Chair, Robin P. Armstrong Memorial Prize for most outstanding graduate thesis in indigenous geography (awarded annually) (2010-2015)
- Conference session co-organizer and co-chair (CAG and AAG)

Service to Community-Based Participatory Research/Indigenous Community Engagement

- Director, Board of Directors, Community-Based Research Canada (CBRC) (2016-)
 - Member, CBRC Strategic Planning Sub Committee Strategic Plan 2020-25

- Co-editor (with Heather Castleden and Anne Godlewska) Special Issue, *The Canadian Geographer* (2012 Vol 56.2) on Community-Based Participatory Research involving Indigenous Peoples
- Co-organizer and co-facilitator (with Heather Castleden) “Community-Based Participatory Research and Indigenous Peoples”, Special Session, Sponsored by the IPWG, Canadian Association of Geographers (CAG) Annual Meetings, University of Regina, June 3, 2010.
- Various Invited Speaker engagements (see above)

Service to Creation/Recognition of Indigenous-led Parks and Protected Areas

- Honorary Member, ICCAs (Indigenous Peoples' and Community Conserved Areas and Territories) (2017-) (see letter of nomination in Service Dossier)
- Contributions to various national and international level reports on Indigenous-led protected areas (see Reports and Policy Documents above)

Research Development and Leadership Activities

- Conservation as Reconciliation (CRP), SSHRC Partnership Grant (2018-)
 - Research Stream Leader: “Conservation Governance”
- Genomics Canada - “FISHES: Fostering Indigenous Small-scale fisheries for Health, Economy, and food Security”
 - Lead Researcher for GE³LS (Genomics, Ethics, Environmental, Economic, Legal and Social) component in Eeyou Istchee
- Centre for Indigenous Conservation and Development Alternatives (CICADA), FRQSC Research Centre
 - Research Axis Co-Leader (with T. Herrmann and José Alywin): “Community-based protected areas, co-management, and conservation governance” (2014-)
 - Member, Hiring Committee, Program Coordinator (2018)
 - Co-researcher, Indigenous Stewardship of Environment and Alternative Development Program (INSTEAD) (2012-)
 - Member, McGill based Centre for Society, Technology & Development (STANDD)
- Rural Policy Learning Commons (RPLC), SSHRC Partnership Grant (2014-21)
 - Research Theme Co-Leader (with M. Watson), Indigenous Theme (2015-)
- Quebec Centre for Biodiversity Science (QCBS), FRQNT Research Centre
 - Research Axis Leader, Axis 4: Human Dimensions of Biodiversity Change (2014-17)
 - Member, QCBS Science Committee (2014-17)
 - Member, QCBS Hiring Committee for Research Professional (Axis 3), (2012-13)
 - Member, QCBS Seed Grant Review Committee (2011-12)

External Doctoral Thesis Examiner:

1. Gerardo Vergara-Asenjo (2016) *Land Cover Dynamics in Panama: Local Lessons Addressing Global Challenges in the Context of REDD+*. PhD, McGill University
2. Maria Jose Barragan Paladines (2015) *Exploring Governance in Galapagos Marine Reserve*, PhD, Memorial University.
3. Sheri A. Longboat (2012) *First Nations Water Security and Collaborative Governance: Chippewas of Kettle and Stony Point First Nation, Ontario, Canada*, PhD, Wilfred Laurier University.

4. Scott Heyes (2007) Inuit knowledge and perceptions of the land-water interface. PhD Thesis, Department of Geography, McGill University.

Peer Review Contributions:

- External Reviewer: Evaluation of Parks Canada (February 2012)
- External Reviewer: e.g. Tenure and CAG Awards
- Reviewer of individual and team applications: SSHRC (IG, Partnership), FQRSC, Belmont Forum, Canadian Water Network
- Reviewer of journal articles: e.g. Arctic, Biodiversity and Conservation, Cahiers de géographie du Québec, Development and Change, Ecology and Society, GeoJournal, Geographical Research, Human Ecology, Ocean Yearbook, Oceania, Polar Geography, Society and Natural Resources, The Canadian Geographer

Editorial Board Membership

- Geographical Research (journal of the Institute of Australian Geographers) (2017-)
- Applied Ecology and Environmental Research (2016-)
- Environments: a journal of interdisciplinary studies (2008-2010)

Professional Membership

- Member, Canadian Association of Geographers (CAG)
 - Indigenous Peoples Working Group (IPWG)
- Member, American Association of Anthropologists (AAG)
- Member, Institute of Australian Geographers (IAG)

Concordia University

Service to University:

- **Associate Vice-President, Research (Development and Outreach)**, Office of the Vice-President, Research and Graduate Studies (OVPRGS) (since June 1, 2019)
 - Co-author: "Equity, Diversity and Inclusion Action Plan for the Canada Research Chairs Program (CRCP)", report submitted to the CRCP, Ottawa, 27 September 2019
 - Member: Senate Research Committee
- Member, Academic Leadership Awards Committee (2018-2019)
- Member, Senate Research Committee (2015-17)
- Member, Steering Committee for Senate (2015-16)
- Member, Associate Provost's Working Group on Indigenous Initiatives (2015-16)
- Senator, Concordia University Senate (2014-2017)
- Member, Special Individualized Programs Committee, School of Graduate Studies (2009-11)
- **Associate Dean, Graduate Student Affairs**, School of Graduate Studies (June 1, 2005 to August 31, 2008)
 - Chair:
 - Central DNE Committee for Graduate Students (2005-08)
 - Selection Committee for Governor General Gold Medal (2005-08)
 - Selection Committee for Valedictorian (2005-08)
 - Member:
 - Strategic Planning Recruitment Committee (2007-08)

- Strategic Planning Student Admissions Committee (2007-08)
- Senate Research Committee (2006-08)
- Council of the School of Graduate Studies (2005-08)
- Steering Committee, Council of the School of Graduate Studies (2005-08)
- Academic Integrity Committee (2005-08)
- Advisory Committee to the Centre for Teaching and Learning Services (2005-07)
- Concordia Council on Student Life (2005-07)
- SGS Representative:
 - Faculty Council, John Molson School of Business (2005-08)
 - Faculty Council, Engineering and Computer Science (2005-08)
- **Administrator, Academic Code of Conduct**, Graduate Student (2005-08)
- **Director, Special Individualized Programs (SIP), School of Graduate Studies** (2005-06)
 - Chair, Special Individualized Programs Committee, School of Graduate Studies (2005-06)
- Chair, Concordia Northern Studies Committee (2001-2005)
 - Concordia University Representative, Association of Canadian Universities for Northern Studies (ACUNS) (2001-2005)
 - Member, Concordia Northern Studies Committee (1995-2015)
- Member, Graduate Student Appeal Committee (2001-2003)

Service to Faculty of Arts & Science:

- Councillor, Faculty Council for Arts and Science (2014-17)
- Member:
 - Steering Committee for Faculty Council (2014-17)
 - Search Committee for Strategic Hire in Aboriginal Youth (2014-15)
 - Working Group for development of an Environmental Studies Program (1997-99)
 - Faculty of Arts & Science Undergraduate Honours Committee (1997-99)
- Fellow, Loyola Centre for Sustainability Research, Faculty of Arts & Science (since 2013)

Service to Department of Geography, Planning and Environment:

- Administrative Positions:
 - **Department Chair** (June 1st 2014 to May 31st 2017)
 - Received Concordia University's Academic Leadership Award 2017 in recognition of achievements as Chair
 - Undergraduate Academic Advisor, Geography BA and BSc Programs (2013-14)
 - Acting Graduate Program Director, M.Sc in Geography, Urban & Environmental Studies (Fall 2009)
 - **Graduate Program Director**, Master of Public Policy and Public Administration (2004-2005)
 - **Director/Internship Coordinator**, Diploma in Environmental Impact Assessment (2003-2005)
 - Acting Director, Science and Human Affairs Program (1995-96)
- Committee membership (multiple times):
 - Hiring sub-committees (tenure-track, part-time, staff)
 - Department Personnel Committee
 - Department Curriculum Committee
 - Department Graduate Programs Committee
 - Department Research Ethics Committee

- Department Appraisal Committee (2004 - 2005)
- Contributions to program development:
 - Major in Leadership in Sustainability (MiLiS) (2016-18) (with C. Lamontagne and C. Hawthorne)
 - PhD in Geography, Urban and Environmental Studies (2015) (with P. Biron, D. Matthews, and Z. Patterson)
 - MSc in Geography, Urban and Environmental Studies (2006) (with P. Biron)
 - Diploma in Environmental Impact Assessment (1999-00) (with D. Frost)
