Peer-Reviewed Conference/Symposia Presentations

- | | |
|----------------------------|---|
| October 2025 | Co-presented symposium paper at the Annual Canadian Association on Gerontology conference held in Montreal: “Re-envisioning Music Therapy as a Creative Means for Culture Change and Social Justice in Long-Term Care.” |
| May 2025 | Co-presented 90-minute workshop session at the 50 th Anniversary Conference of the Canadian Association of Music Therapists in Halifax, Nova Scotia: “Re-envisioning Music Therapy as a Creative Means for Culture Change and Social Justice in Long-Term Care.” |
| September 2024 | 90-minute Roundtable Participant at the 4 th European Association for Music & Imagery Conference (hybrid) held in Dobbiaco, Italy. “Connecting and integrating emotional and physical health: Hero’s journey in GIM.” |
| May 2024 | Co-presented 75-minute workshop session at Walk with Me 2024 Conference in Ottawa, Ontario. “Re-envisioning Music Therapy as a Creative Means for Culture Change and Social Justice in Long-Term Care.” |
| July 2023 | Paper at the 2023 World Congress of Music Therapy held in Vancouver, British Columbia. “Connecting Music Therapy Research and Real-World Practice through Knowledge Mobilization.” |
| June 2022 | 90-minute Roundtable Participant at the 12 th European Music Therapy Conference (hybrid) in Edinburgh, Scotland: “The Hero’s Journey in GIM: Unexpected Integrative Nonconnections Between Emotional and Physical health.” |
| June 2022 | Online Poster presented at the 12 th European Music Therapy Conference (hybrid) in Edinburgh, Scotland: “Exploring Older Adults’ Perspectives on Participating in Online Music Experiences.” |
| May & June 2022 | 90-minute Panel Presentation: (Lead presenter and organizer) 48 th Annual Conference of the Canadian Association of Music Therapists in Niagara Falls, Ontario: “Riding the Research Rapids during COVID-19: Embracing the Unexpected.” Presented at the in-person conference in May and again at the online conference in June. |

- October 2021** Presented paper: “Exploring Older Adults’ Perspectives on Participating in Online Music Experiences” as part of engAGE symposium: “Re-Visioning Aging Futures: Intersections of Research, Practice, and Policy” at the 2021 Annual Canadian Association on Gerontology conference held online.
- June 2021** Participated in online panel discussion at the 47th Annual Conference of the Canadian Association of Music Therapists in Gatineau, Quebec: “Music Therapy Research in Canada: Bridging Distances Among Systems, Knowledge, and Practice.”
- May 2021** Presented paper at online Music and Wellbeing Conference hosted by the University of Saskatchewan: “Challenging Assumptions About How Music/Music Therapy Helps Persons Living with Dementia.”
- July 2020** Paper presented online at the 2020 World Congress of Music Therapy, hosted by the University of Pretoria, South Africa: “Challenging Assumptions about Aging, Dementia, and How Music Helps.”
- October 2019** Presented two papers as part of panel presentations at the Annual Canadian Association on Gerontology conference in Moncton, New Brunswick: “Challenging Assumptions about How Music Helps” (with engAGE) and “Lived Experiences of Singing in a Community Hospice Bereavement Support Music Therapy Group” (with CRÉGES).
- June 2019** Paper at the International Conference of the Association for Music & Imagery in Vancouver, British Columbia: “An Overview of Qualitative Research in the Bonny Method of Guided Imagery & Music (GIM).”
- May 2019** Paper at the Trent Aging & Society International Conference at Trent University in Peterborough, Ontario: Canada: “The Importance of Music for Persons Living with Dementia: Knowledge, Assumptions and the Need for Professional Leadership.”
- May 2019** Co-presented paper at the 45th Annual Conference of the Canadian Association of Music Therapists in Gatineau, Quebec: “Linking Generations through Song: An Innovative Approach in Dementia Care.”
- October 2018** engAGE panel presentation at the Annual Canadian Association on Gerontology conference in Vancouver, British Columbia. My paper: “The Importance of Music for Persons Living with Dementia:

Knowledge, Assumptions, and the Need for Professional Leadership.”

May 2018

Two papers at the 44th Annual Conference of the Canadian Association for Music Therapy in St. John’s, Newfoundland: “An Overview of Research in the Bonny Method of Guided Imagery and Music.” Co-presented with Dr. Guylaine Vaillancourt: “The Bonny Method of GIM: An Invaluable Resource for Music Therapists.”

October 2017

Two papers at the International Humanizing Healthcare Conference hosted by Bruyère in Ottawa, Ontario: “The Integral Role of Music and the Music Therapist in Dementia Care” and “Examining Lived Experiences of Singing in a Bereavement Support Music Therapy Group.”

June 2017

Coordinated Research Symposium for the 24th International Association for Music & Imagery conference in Montreal, Quebec. Also presented: “Client Experiences in Postlude Discussions in Guided Imagery and Music” and “Predictors of Client Responsiveness to the Bonny Method of Guided Imagery and Music.”

May 2017

Paper at the 43rd Annual Conference of the Canadian Association for Music Therapy in Vancouver, British Columbia: “The Integral Role of Music in Dementia Care: Knowledge, Assumptions, and the Need for Professional Leadership.”

March 2017

Paper at the Annual Mid-Atlantic Regional Conference of the American Association for Music Therapy in Rochester, New York: “Personalized Music Listening Programs for Persons with Dementia: Knowledge, Assumptions, & Professional Leadership.

October 2016

Panel presentation on “Strengthening a Palliative Approach to Care in Long-Term Care (SPA-LTC): Strategies that Trigger Action, Improve Communication and Promote Sustainable Change” at the 45th Annual Scientific and Educational meeting of the Canadian Association on Gerontology in Montréal, Québec.

October 2016

Proffered paper at the 21st International Congress on Palliative Care in Montréal, Québec: “Examining Lived Experiences of Singing in a Bereavement Support Music Therapy Group.”

May 2016

Co-presented paper at the 42nd Annual Conference of the Canadian Association for Music Therapy in Waterloo, Ontario: “Research for Music Therapists in the Real World.”

May 2016

Co-presented paper at the 42nd Annual Conference of the Canadian Association for Music Therapy in Waterloo, Ontario: “Examining

Lived Experiences of Singing in a Bereavement Support Music Therapy Group.”

November 2015

Co-presented paper at the American Music Therapy Association’s (AMTA) 65th Annual Conference held in Kansas City, Missouri: “Examining Lived Experiences of Singing in a Bereavement Support Music Therapy Group.”

November 2015

Panel discussion participant at the American Music Therapy Association’s (AMTA) 65th Annual Conference held in Kansas City, Missouri: “Music Therapy Goals Can Be Understood Musically, Too!” By invitation, recorded follow up discussion included in AMTA-Pro podcast series.

October 2015

Paper as part of Symposium: “Implementing a Palliative Approach in Long-Term Care Settings: Challenges, Opportunities and Suggested Responses” at the 44th Annual Scientific and Educational meeting of the Canadian Association on Gerontology in Calgary, Alberta. Paper: “The Integral Role of Music and of the Music Therapist in Dementia Care.”

July 2015

Co-presented paper at the 23rd International Association for Music & Imagery Conference in Newark, New Jersey: “GIM: To Be or Not to Be Psychotherapy.”

May 2015

Co-chaired panel discussion on “Music Therapy Scope of Practice in Canada” at the 41st Annual Conference of the Canadian Association for Music Therapy held in Calgary, Alberta.

March 2015

Paper at Creative Arts Therapies Awareness Symposium held at Concordia University: “Singing to Promote Health/Wellbeing for Adults with High Functioning Autism/Asperger’s Syndrome.”

November 2014

Paper at the American Music Therapy Association’s (AMTA) 64th Annual Conference held in Louisville, Kentucky: “The Integral Roles of Music Therapy and the Music Therapist in Dementia Care.”

July 2014

Paper at the 14th World Congress of Music Therapy held in Krems, Austria: “Singing to Promote Health/Wellbeing for Adults with High Functioning Autism/Asperger’s Syndrome.”

June 2014

Panel facilitator and presenter at the International Association for Music & Medicine Conference in Toronto, Ontario: “Advancing Interdisciplinary Research in Singing (AIRS)”; my paper, “Singing to Promote Health/Wellbeing for Adults with High Functioning Autism/Asperger’s Syndrome.”

June 2014	Poster at the International Association for Music & Medicine Conference in Toronto, Ontario: "Singing to Promote Health/Wellbeing for Adults with High Functioning Autism/Asperger's Syndrome."
June 2014	Poster at the 40 th Annual Conference of the Canadian Association for Music Therapy in Toronto, Ontario: "Singing to Promote Health/Wellbeing for Adults with High Functioning Autism/Asperger's Syndrome."
June 2014	Paper at the 40 th Annual Conference of the Canadian Association for Music Therapy held in Toronto, Ontario: "The Integral Roles of Music Therapy and the Music Therapist in Dementia Care."
November 2013	Paper at the 2013 Conference of the American Music Therapy Association (AMTA) conference in Jacksonville, Florida: "The Use of Singing to Promote Health and Well Being for Adults with High Functioning Autism or Asperger's Syndrome."
August 2013	Poster at 5 th Annual Advancing Interdisciplinary Research in Singing (AIRS) Annual Conference and General Meeting held at the Ryerson University, Toronto, Canada: "The Use of Singing to Promote Health and Well Being for Adults with High Functioning Autism or Asperger's Syndrome."
June 2013	Paper at the 22 nd International Association for Music & Imagery Conference in Burnaby, British Columbia: Reflections on Current and Future GIM Clients."
May 2013	Paper at the 39 th Annual Conference of the Canadian Association for Music Therapy in Saskatoon, Saskatchewan: "The Use of Singing to Promote Health and Well Being for Adults with High Functioning Autism or Asperger's Syndrome."
October 2012	Paper at the 2012 Conference of the American Music Therapy Association (AMTA) conference in St. Charles, Illinois: "Client experiences in postlude discussions in Guided Imagery and Music (GIM)."
October 2012	Facilitated a full day continuing education workshop at the American Music Therapy Association (AMTA) conference in St. Charles, Illinois: "Self-Supervision for Music Therapy Internship Supervisors."
August 2012	Poster at Advancing Interdisciplinary Research in Singing (AIRS) Annual Conference and General Meeting held at the University of

P.E.I.: "Singing and Health: A Research Initiative at the Centre for Arts In Human Development (CAHD) at Concordia University."

- | | |
|----------------------|---|
| May 2012 | Paper at the 1 st International Gender, Health and Creative Arts Therapies Conference in Montreal, Quebec: "Exploring Multicultural Issues in Music Therapy Supervision." |
| May 2012 | Paper at the 38 th Annual Conference of the Canadian Association for Music Therapy (CAMT) in Montreal, Quebec: "Client Experiences in Postlude Discussions in Guided Imagery and Music (GIM)." |
| May 2012 | Paper at the 38 th Annual Conference of the Canadian Association for Music Therapy (CAMT) in Montreal, Quebec: "Predictors of Client Responsiveness to the Bonny Method of Guided Imagery and Music (BMGIM)." |
| May 2012 | Collaborative presentation at the 38 th Annual Conference of the CAMT, "Music Therapy Research at Concordia University." |
| May 2012 | Facilitated a full day pre-conference workshop at the 38 th Annual Conference of the Canadian Association for Music Therapy (CAMT) in Montreal, Quebec: "Self-Supervision for Music Therapy Internship Supervisors." |
| November 2011 | Paper at the 2011 Conference of the American Music Therapy Association (AMTA) in Atlanta, Georgia: "Predictors of Client Responsiveness to the Bonny Method of Guided Imagery and Music (BMGIM)." |

| June 2011 | Paper at the 3 rd International Music Therapy Research Conference hosted by the Manfred and Penny Conrad Institute for Music Therapy Research at WLU in Waterloo, Ontario: "Supervising the Supervisor: The Use of Live Music and Identification of Parallel Processes." |
| June 2011 | Co-presented paper at the 2011 Therapeutic Recreation Ontario (TRO) Conference in Toronto, Ontario: "Sound Advice: Perspectives on Creating Healthier Sound Environments for our Clients." |
| May 2011 | Poster presentation at the 37 th Annual Conference of the Canadian Association for Music Therapy (CAMT) in Winnipeg, Manitoba: |

"Sound Advice: Perspectives on Creating Healthier Sound Environments for our Clients."

May 2011

Facilitated a full day pre-conference workshop at the 37th Annual Conference of the Canadian Association for Music Therapy (CAMT) in Winnipeg, Manitoba: "Self-Supervision for Music Therapy Internship Supervisors."

November 2010

Poster at the 6th Annual Research Education and Innovation Day at St. Michael's Hospital, Toronto, Ontario: "Sound Advice: Perspectives on Creating Healthier Sound Environments for our Clients."

October 2010

Presented two posters at Sunnybrook Veterans Centre Interprofessional Care-Interprofessional Education Poster Showcase. Toronto, Ontario: "Sound Advice: Perspectives on Creating Healthier Sound Environments for our Clients" and "Intelligent Customizable Software to Promote Engagement in Art and Music Therapy."

May 2010

Panel Presentation at the 36th Annual Conference of the Canadian Association for Music Therapy (CAMT) in Halifax, Nova Scotia: "Building Upon our Heritage: The Ongoing Development of the Music Therapy Profession in Canada."

May 2010

Co-presented paper at the 36th Annual Conference of the CAMT, "Sound Advice: Perspectives on Creating Healthier Sound Environments for our Clients."

April 2010

Interprofessional Panel Presentation at St. Michael's Hospital for National Hospice Palliative Care Week in Toronto, Ontario: "Caring for Patients with Complex Symptoms and their Families: An Interprofessional Conversation."

March 2010

Paper at the International Conference on Music Therapy & Supportive Cancer Care in Windsor, Ontario: "The Potential Health Benefits of Community Based Singing Groups for Adults with Cancer."

November 2009

Co-presented paper at The Veterans Centre Interprofessional Rounds, Sunnybrook Health Sciences Centre, Toronto, Ontario: "Sound Advice: Perspectives on Creating Healthier Sound Environments for our Residents."

May 2009

Two papers at the 35th Annual Conference of the CAMT, Ottawa, Ontario: "Multicultural Issues Encountered in the Supervision of Music Therapy Internships in the USA and Canada" and "The

Potential Health Benefits of Community Based Singing Groups for Adults with Cancer.”

November 2008

Co-presented two papers at the 2008 Conference of the American Music Therapy Association (AMTA), St Louis, Missouri: “Supervising the supervisor: The use of live music and identification of parallel processes” and “Qualitative and Quantitative Perspectives on Multicultural Music Therapy Supervision.”

June 2008

Paper at the 2nd International Music Therapy Research Conference at the Laurier Centre for Music Therapy Research, Waterloo, Ontario: “Multicultural Issues Encountered in the Supervision of Music Therapy Internships in the USA and Canada.”

March 2008

Research Poster & Presentation at the 2008 Mid-Atlantic Regional AMTA Conference, Cherry Hill, New Jersey. “Multicultural Issues Encountered in the Supervision of Music Therapy Internships in the USA and Canada.”

June 2005

Paper at Sunnybrook Health Sciences Centre’s Practice Based Research Day: “Examining Significant Music Therapy Experiences from the Perspectives of Individuals Living with HIV/AIDS.”

May 2005

Paper at the 31st Annual Conference of the CAMT in Winnipeg, Manitoba: “Listening to the Stories of their Lives.”

September 2004

Co-presented paper at Toronto-Sunnybrook Regional Cancer Centre, Grand Rounds: “Music Therapy, Art Therapy, and Implications for Cancer Care.”

June 2004

Paper at the European Music Therapy Congress, Jyväskylä, Finland: “Examining Significant Music Therapy Experiences from the Perspectives of Individuals Living with HIV/AIDS.”

May 2004

Research Panel at the 30th Annual CAMT Conference in Perth, Ontario: “Examining Significant Music Therapy Experiences from the Perspectives of Individuals Living with HIV/AIDS.”

April 2004

Paper at Laurier Centre for Music Therapy Research Symposium for the Health Disciplines held at Sunnybrook and Women’s College Health Sciences Centre: “Examining Significant Music Therapy Experiences from the Perspectives of Individuals Living with HIV/AIDS.”

September 2001

Paper at SWCHSC Long Term and Veterans’ Care Directorate Rounds, Toronto, Ontario: “Removing all Barriers–Veterans’ Vacation.”

June 2000	Paper at the Annual Therapeutic Recreation of Ontario Conference in London, Ontario: "The Sights and Sounds of Lake Joseph."
May 2000	Co-presented paper at the 27 th Annual CAMT Conference in Toronto, Ontario: "Songs of Experience."
May 1999	Co-presented paper at the 26 th Annual CAMT Conference in Vancouver, British Columbia: "A Patient Focused Care Approach to Music Therapy."
May 1997	Panel presentation at Baycrest Centre for Geriatric Care Grand Rounds, Toronto, Ontario: "A Typical Day in Special DayCare."
April 1997	Panel presentation at the 24 th Annual CAMT Conference in Windsor, Ontario: "The Role of Music and Music Therapists in a Multi-Service Geriatric Facility."
March 1997	Paper at Baycrest Centre for Geriatric Care Grand Rounds, Toronto Ontario: "Why Music?"
August 1995	Paper at Baycrest Centre for Geriatric Care Grand Rounds, Toronto, Ontario: "Music Therapy: A Case Study."
May 1995	Paper at the 22 nd Annual CAMT Conference in Waterloo, Ontario "Conducting Music Therapy Research in a Geriatric Facility."
October 1994	Paper at Baycrest Research Day, Toronto, Ontario: "The Use of Music to Facilitate Recognition in Elderly Persons with Cognitive Impairment."

c. Visiting Lecturer/Keynote Speaker/Public Relations

November 2025	Invited speaker for MIYA Creative Care Symposium held at Baycrest Centre for Geriatric Care, Toronto, Ontario: "A Multidimensional Best Music Practices Approach for Persons Living with Dementia: Why Music? Why Therapy?"
October 2025	Invited co-presenter (with Dr. Guylaine Vaillancourt) for online continuing education series workshop hosted by the Association for Music & Imagery on Innovations and Adaptations in GIM: "An Approach to Analyzing Core GIM Programs."
October 2024	Invited speaker for the Brainy Boomers Lecture Series (online) hosted by The McGill University Research Centre for Studies in Aging: " Re-considering how Music Helps Persons Living with Dementia. "

May 2024	Presented at Inaugural School of Health Conference , Concordia University, Montreal, Quebec. "Re-considering How Music <i>Helps</i> Older Adults."
May 2024	Co-presented 75-minute hybrid workshop session at Concordia B/OLD Conference in Montreal, Quebec. " Re-envisioning Music Therapy as a Creative Means for Culture Change and Social Justice in Long-Term Care. "
March 2024	Invited panelist for discussion following special screening of the NFB documentary Stolen Time at Cinema du Parc in Montreal. A profile on the for-profit long term care industry.
March 2024	Co-presented webinar for a CRÉGES conference: " Fostering Inclusion and Empowerment of Aging Adults with Intellectual and Development Disabilities in a Community University Art Hive Context. "
2019-2024	Annual Summer Semester Guest Lecture for Music Therapy Graduate Diploma Students (MTHY 512): "Considerations for the New Professional Music Therapist."
2019-2024	Annual Fall Semester Guest Lecture for Music Therapy Graduate Diploma Students (MTHY 503/510): "The Importance of Music for Persons Living with Dementia"
2023	Invited Guest Lecturer (winter and fall) for Introduction to Music Therapy course offered at McGill University, Montreal.
August 2023	Invited speaker for virtual symposium hosted by MIYA Creative Care . Paper: "Deconstructing Assumptions About How Music Helps Persons Living with Dementia."
June 2023	Interviewed on CJAD Radio Show <i>Life Unrehearsed</i> . " The Power of Music. "
May 2023	My research featured in article for Concordia News: " Concordia's engAGE Centre for Research on Aging has a New Space. "
November 2022	Online panel presentation co-sponsored by engAGE: Concordia's Centre for Research on Aging and the Concordia Arts in Health Centre: " Creative Approaches to Community-Engaged Research with Older Adults. "

October 2022	Featured in article for <i>Concordia University Magazine</i> : “Creating to Heal: Concordians are harnessing the power of the arts to help people cope with loss.”
March 2022	Online panel presentation co-sponsored by engAGE: Concordia’s Centre for Research on Aging and the Canadian Association of Music Therapists: “The beat goes on[line]: Can virtual music therapy and music leisure programs serve as a viable health and wellness resource for older adults?”
November 2021	Presentation for online PERFORM-engAGE research retreat: “Music as a Resource for Health and Wellbeing of Older Adults.”
October 2021	Contributing expert quote in book <i>Wellness Wellplayed: The Power of a Playlist</i> featured in social media
October 2021	Online panel presentation/discussion for engAGE Living Lab Creative Science Shop: “How do we keep the music playing?”
September 2021	Online panel discussion participant for virtual book launch : “The Four Lenses of Population Aging: Planning for the Future in Canada’s Provinces.” Co-hosted by engAGE and CRÉGES.
June 2021	Interviewed along with Adrienne Pringle as part of Beyond the Studio’s Canadian Music Therapy Podcast Season 2 Episode 13: “Bridging Gaps in Music Therapy Research and Practice.”
February 2021	Canadian Association of Music Therapists Featured Quote of the Month on social media.
November 2020	Online Presentation for engAGE (Concordia’s Centre for Research on Aging: “Challenging Assumptions About Aging, Dementia, and How Music Helps.”
August 2020	Voices: World Forum for Music Therapy: <i>Interview with Authors Series</i> : “Finding our voices, singing our truths: Examining how quality of life domains manifested in a singing group for Autistic adults.”
July 2020	CRÉGES COVID-19 Interview: Pandemic Precarity: Aging and Social Engagement .
October 2019	Community lecture hosted by the Department of Music at Mount Allison University, Sackville, New Brunswick: “Music Therapy 101.”

October 2019	CRÉGES Conference offered in conjunction with Projection Week Montreal. In person and webinar formats: " Music Therapy in Bereavement Care. "
April 2019	Invited to co-facilitate two workshops during PERFORM Centre Research Week held at Concordia University, Montreal, Quebec: "Music Therapy 101."
January 2019	Co-presented webinar with Adrienne Pringle (co-author) for Le Réseau québécois de recherche en soins palliatifs et de fin de vie (RQSPAL): " Lived Experiences of Singing in a Community Hospice Bereavement Support Music Therapy Group. "
January 2019	Invited Speaker PERFORM Centre Colloquium at Concordia University, Montreal, Quebec: "The Importance of Music for Persons Living with Dementia: Knowledge, Assumptions and the Need for Professional Leadership."
Nov. 2018 & Mar. 2019	Invited Participant: Aging and Music Advocacy Group. Room 217 Music Cares Conference/Follow up meeting, Waterloo, Ontario.
October 2018	Invited Keynote Speaker for the Annual Conference of the Music Therapy Association of British Columbia in Vancouver, B.C.: "Moving our Profession Forward: Re-conceptualizing Canadian Music Therapy within an Evolving World."
September 2018	Invited by Dr. Andrea Creech (Canada Research Chair in Music in Community) to participate in Mapping the Musical Life Course Symposium held at l' Université Laval, Quebec City, September 19-21 st .
September 2018	Invited Keynote Speaker at the 2 nd Annual Charles E. Braswell Music Therapy Symposium held at Loyola University, New Orleans, LA: "The Importance of Music for Persons Living with Dementia: Knowledge, Assumptions and the Need for Professional Leadership."
September 2018	Invited to facilitate a 2.5 hour continuing education workshop for the 2 nd Annual Charles E. Braswell Music Therapy Symposium held at Loyola University, New Orleans, LA: Enhancing Your Scope of Music Therapy Practice in Dementia Care."
September 2018	Invited Speaker: Queen Margaret University International Symposium on Music Therapy for Adults with Learning Disabilities in Edinburgh, Scotland: "A Singing Group for Autistic Adults: Results and Implications for Research and Practice."

April 2018	Radio Canada International interview with Terry Haig. How music can help us and not just in the usual ways.
April 2018	BBC 3 Radio Interview on the show Music Matters (Music and Wellbeing segment starts at 37:53).
March 2018	Guest lecturer (full day). Music Therapy Program, University of Limerick, Ireland.
March 2018	Newspaper feature in Montreal Gazette: New modes of therapy help people cope with loss and anxiety.
February 2018	Featured speaker at Scottish Music Therapy Trust event in Edinburgh: "The Importance of Music for Persons Living with Dementia."
2017	Featured alumnae in Mount Allison University Viewbook as well as interview published in the alumni magazine.
September 2017	Facilitated a full day workshop for members of the Atlantic Association for Music Therapy. Held in Halifax, Nova Scotia: "Self-Supervision for Music Therapy Internship Supervisors."
November 2017	Facilitated Webinar for Room 217 Foundation: " Developing a Best Music Practices Model to Promote "Musical Health" for Persons Living with Dementia. "
May 2017	Facilitated a full day pre-conference workshop the 43 rd Annual Conference of the Canadian Association of Music Therapists, held in Vancouver, British Columbia: "Self-Supervision for Music Therapy Internship Supervisors."
April 2017	Interviewed on CJAD Radio Show <i>Life Unrehearsed</i>
April 2017	Invited community speaker for Alzheimer Groupe (AGI), Montreal.
March 2017	Invited speaker at Brams: International laboratory for brain, music, and sound research in Montreal. Workshop on music-based rehabilitation. My lecture: "Developing a Best Practices Model of "Musical Health" for Persons Living with Dementia"
February 2017	IDEA Lab (i.e., idea slam format) presenter. Hosted by the Faculty of Fine Arts, Concordia University: "The Integral Role of Music and of the Music Therapist in Dementia Care."

February 2017	Invited presenter at the Annual Conference of the Music Therapy Association of Ontario, held at Schlegel-UW Research Institute for Aging, Waterloo, Ontario: "The Integral Role of Music in Dementia Care: Knowledge, Assumptions, and the Need for Professional Leadership."
February 2017	Facilitated a full day pre-conference workshop for members of the Music Therapy Association of Ontario, held at Schlegel-UW Research Institute for Aging, Waterloo, Ontario: "Self-Supervision for Music Therapy Internship Supervisors."
October 2016	Invited alumni panel presenter at Mount Allison University's Music Department Anniversary Celebration, Sackville, New Brunswick.
September 2016	Invited co-presenter in CRÉGES Speaker Series for CIUSSS stakeholders: Developing Quality Music Listening Programs for Residents with Advanced Dementia."
September 2016	Facilitated a full day workshop for members of the Music Therapy Association of Manitoba. Held at the Canadian Mennonite University, Winnipeg, Manitoba: "Self-Supervision for Music Therapy Internship Supervisors."
June 2016	Invited speaker at Symposium on Music Therapy, Neurodiversity, and Autism held at New York University. Paper: "A Singing Group for Autistic Adults: Results & Implications for Research and Practice."
June 2016	AMTA-Pro Podcast Launch: " MT Goals from a Musical Perspective ." One of four featured speakers.
May 2016	Invited speaker at Annual CRÉGES Symposium held at l'Université de Montréal: "Ageing and Communicating in a Digital World." Co-presenting workshop/paper: "The Soundtrack of Life: Developing Quality Personalized Music Listening Programs for Residents with Advanced Dementia."
March 2016	Invited to participate as part of a panel presentation at the Mid-Atlantic Region of the American Music Therapy Association Conference, Harrisburg, Pennsylvania: Listening Programs for Older Adults: An Overview of Current Practice Inside and Outside of Music Therapy."
February 2016	Member of a guest panel on Teaching and Supervision for Concordia University Music Therapy Graduate Students (MTHY 601).
October 2015	Invited presenter at Ageing Research at Concordia Symposium held

at PERFORM, Montreal, Quebec: “Music Therapy and Ageing Related Research.”

September 2015

Guest Lecturer for ATRP 693: “Completing Summary Protocol Forms for Ethics Review at Concordia University.”

September 2015

Invited by Dr. Kathy Murphy (and students) to speak to music therapy students at the University of Evansville (Indiana) about music therapy in Canada (via Skype).

August 2015

Guest Lecturer for MTHY 301 at Concordia University: “Embracing Diverse and Emergent Approaches in Music Therapy.”

May 2015

Invited “Focus on Canada” keynote speaker at the 41st Annual Conference of the Canadian Association for Music Therapy held in Calgary, Alberta. “It’s All Good! Embracing Diverse & Emergent Approaches in Music Therapy.”

April 2015

Invited guest speaker at Brains: International laboratory for brain, music, and sound research in Montreal. “The Integral Role of Music in Dementia Care.”

October 2014

Invited keynote speaker for the Atlantic Association of Music Therapy Annual Conference. Held at Acadia University in Wolfville, Nova Scotia: “It’s All Good! Embracing Diverse & Emergent Approaches in Music Therapy.”

July 2014

Invited Spotlight Speaker at the World Congress of Music Therapy held in Krems, Austria: “One Canadian Music Therapist’s Perspectives on Clinical Practice.”

September 2014

Featured in article in *Concordia University Magazine*. Canada’s demographic shift: [Concordia professors work to ensure healthier – and happier – longevity.](#)

April 2014

Featured article on website of the Canadian Music Therapy Trust Fund “[Living Out Loud](#)” in conjunction with Canadian Cancer Awareness Month.

March 2014

Guest Lecturer for MTHY 693: “Completing Summary Protocol Forms for Ethics Review at Concordia University.”

February 2014

Member of a guest panel on Teaching and Supervision for Concordia University Music Therapy Graduate Students (MTHY 601).

September 2013	Interviewed about music therapy and Concordia training program on CJAD Radio 800 AM for the Tommy Schnurmacher show; http://snd.sc/14JEPYD (starts at 32:36).
February 2013	Member of a guest panel on Teaching and Supervision for Concordia University Music Therapy Graduate Students (MTHY 601).
November 2012	Facilitated a full day workshop for members of the Atlantic Association of Music Therapy. Held at Acadia University, Wolfville, Nova Scotia: "Self-Supervision for Music Therapy Internship Supervisors."
